Biblical Discipleship Study Guide: Essential Components for Attaining Spiritual Maturity Dr. Todd M. Fink, 2016-05-18

This 16 Week Study Guide is exceptionally practical and life transforming. It is taken from the main book *Biblical Discipleship: Essential Components for Attaining Spiritual Maturity*. However, it is a stand alone book study that is designed to be used on its own. Its purpose is to take the 14 core principles of discipleship and put them into practice. Today we have many ways of defining success in life. Some define it as being a sports hero, others as being wealthy, others as being popular and well liked, and still others as being happy. How does God define success? He defines it as being spiritually mature. *The Comeback Bible Study Guide* Louie Giglio, 2015-10-20. Feeling like you've blown it. Reached the point of no return. That your life hasn't gone as planned. If so, you are not alone. We all know what it feels like to have life disappoint us and not work out as we'd hoped. We all know what it's like to long for something different, something better, and something more. This six session video study DVD/digital video sold separately shows us how God can use our messes and still make a masterpiece. Drawing on his own experiences and pivotal Bible stories, Louie Giglio, pastor and author of *Don't Give the Enemy a Seat at Your Table*, shows how God is all about comebacks. Samson had blown it repeatedly, nevertheless, he experiences tremendous triumph at the end of his life. The prodigal son, as Jesus describes him, returns home in disgrace only to be welcomed by his father with open arms. The list goes on: Joseph, Moses, and Peter all experienced comebacks. Jesus himself performed the greatest comeback of all by rising from the dead. God is in the business of giving fresh starts, and His plans will always prevail, even when our plans don't. For the times when we feel like our lives are in the garbage and it's hard to see God's plan, this study guide will help you see how God uses our circumstances to strengthen us and fulfill His good plan. How to respond in spirit when our dreams are dashed. How Jesus' life, death, resurrection, and ascension is not only enough to save us but also to sustain us. No matter what kind of disappointment or grief or pain or trouble or heartache we encounter, God always offers a new beginning, a change of heart, and a powerful spiritual turnaround. Our current circumstances do not get the final say in our lives. God does. Designed for use with *The Comeback Video Study* sold separately.

A Christian's Guide to Critical Thinking Henry Virkler, 2006-06-26. Have you ever heard a Bible interpretation or a scientifically based argument that just didn't seem correct? Did you wish you knew how to show that it wasn't true? In a postmodern society, Christians are increasingly confronted with assertions that contradict the principles they believe. They need to be able to critically analyze arguments and know how to refute in a gentle way those assertions that are

not true In order to do this Christians need three sets of skills hermeneutical skills to know how to accurately interpret God s Word and be able to correct misinterpretations of Scripture research design and statistical skills to be able to examine statements about God s world and evaluate whether or not they represent valid conclusions from the data knowledge of logical fallacies in order to be able to identify when invalid inductive or deductive conclusions were being drawn either from God s Word or from research studies about God s world This book will help you be able to do the following know and use valid hermeneutical skills understand research design and statistical analysis techniques recognize logical fallacies and replace them with accurate analyses An excellent resource for pastors Sunday school teachers and group leaders this book is as practical as it is valuable for persons who want to discern truth and refute error in a spirit of love **John Warwick**

Montgomery's Legal Apologetic Ross Clifford,2016-01-22 Dr Montgomery is one of our leading Christian apologists His writings have influenced several generations of apologists from around the globe His debates are legendary This book purports to break new ground apologetically as it assesses Dr Montgomery s work It focuses on his legal historical apologetic and in the process reframes it for both for the tough minded and the tender hearted It shows not only the rationality of Montgomery s work but also that his writings pave the way for an apologetic to New Age followers and to those who place experience before reason A special feature of this analysis concerns Montgomery s apologetic insights on the occult and paganism This book also breaks new ground as the legal apologetic model has not been previously assessed it illustrates that a juridical apologetic style has a rich history dating back to the Gospels themselves The present work should thus be of particular interest to apologists theologians philosophers of religion pastors and all who are concerned to share the legal historical fact of the Resurrection of Jesus together with its relevance in a secular age **Christian Theology** Adam

Hijacking Jesus Jason Jimenez,2023-09-12 Progressives have fabricated a new Jesus so different from the real Savior that their faith can hardly be called Christianity Progressive Christian leaders have abandoned the resurrected Savior of historical Christianity radically reinterpreting Him as a Jewish mystic or a man of God devoid of divine claims and miracles In the postmodern era remaking Jesus has become a deadly temptation The modern Jesus of progressives supposedly friendlier and more accepting than the Savior we know from the Gospels is gaining popularity and acceptance among self identified Christians But they don t realize that progressive Christianity rejects the biblical revelation of Jesus Christ the Word made flesh Hijacking Jesusaddresses perennial questions about the nature of Christ and his teaching testing the historical and

theological accuracy of progressive Christians Their Jesus is simply no match for the reliability of the four Gospels which are the most credible historical sources for Jesus s life teachings miracles death and resurrection Christians can accept no substitute for the witness of the Gospels and the theological doctrines of the church that Jesus Christ is Lord and Savior

Systematic Theology, Volume 1, Fourth Edition James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary

The High Cost of a Free Gift Kermit Taylor, 2020-10-26 When we think about our salvation in most cases we will focus on God's gracious and undeserved goodness toward us Though salvation flows from the grace of God thereby making it free to all who put their trust in Jesus free does not mean that our salvation is cheap or without great cost to God Himself This book The High Cost of a Free Gift takes a very Christocentric look at the gracious provision of salvation This book focuses on all that it cost our Savior in order that He might be our perfect and eternal sacrifice for sin By looking at the Christology of our salvation this book

encourages a greater appreciation for all that the Son of God endured in order that we might be saved From His preincarnate glory to His descent into the grave our Savior paid a high price in order that we might receive the free gift of salvation This book will trace the downward stage in the works of Jesus Christ from His glory to the grave referred to as His humiliation We will take a deeper look at the following topics Jesus s Glorious Preincarnate Existence The Meaning and Necessity of His Humiliation The Virgin Birth and Incarnation of Jesus Kenosis The Self Emptying of Jesus His Temptations and Rejections His Illegal Trials His Sacrificial Atoning Death His Burial and Descent to Hades The Implications of His Humiliation Ultimately from this reading we learn that the Son of God s love for man was so deep that He willingly laid aside His glory in order to endure a level of humiliation that was so great that only God wrapped in humanity could endure it Our greater appreciation for the high cost that Jesus paid to save us should cause us as believers to appreciate admire and adore Him all the more and greatly value the free gift to which He paid such a high cost There's More Than One Color in the Pew Tony

Gary Crampton,2004-06 *The Extent of the Atonement* David L. Allen,2016-06-01 The extent of Christ s atoning work on the cross is one of the most divisive issues in evangelical Christianity In *The Extent of the Atonement* A Historical and Critical Review David L Allen makes a biblical historical theological and practical case for a universal atonement Through a comprehensive historical survey Allen contends that universal atonement has always been the majority view of Christians and that even among Calvinist theologians there is a considerable range of views Marshalling evidence from Scripture and history and critiquing arguments for a limited atonement Allen affirms that an unlimited atonement is the best understanding of Christ s saving work He concludes by showing that an unlimited atonement provides the best foundation for evangelism missions and preaching

Image and Hope Yaroslav Viazovski,2016-02-25 Developments in biblical studies neurosciences and Christian philosophy of mind force theologians to reconsider the traditional concept of the immortal soul At the same time the concept itself tends to create axiological dualism between the bodyand the soul that in turn may lead to insufficient appreciation of the physical life in this world A more holistic approach to the ontology of human beings is required The aim of this study is to analyse the function of the concept of the soul in the dualistic anthropology of John Calvin and to compare it to the holistic anthropology of Karl Barth in order to answer the question of whether the transition from one to the other is possible without the loss of the functions fulfilled by the soul
