Vacationland William Philpott, 2013-08-30 Winner of the Western Writers of America 2014 Spur Award for Best Western Nonfiction Contemporary Mention the Colorado high country today and vacation imagery springs immediately to mind mountain scenery camping hiking skiing and world renowned resorts like Aspen and Vail But not so long ago the high country was isolated and little visited Vacationland tells the story of the region's dramatic transformation in the decades after World War II when a loose coalition of tourist boosters fashioned alluring images of nature in the high country and a multitude of local state and federal actors built the infrastructure for high volume tourism ski mountains stocked trout streams motels resort villages and highway improvements that culminated in an entirely new corridor through the Rockies Interstate 70 Vacationland is more than just the tale of one tourist region It is a case study of how the consumerism of the postwar years rearranged landscapes and revolutionized American environmental attitudes Postwar tourists pioneered new ways of relating to nature forging surprisingly strong personal connections to their

landscapes of leisure and in many cases reinventing their lifestyles and identities to make vacationland their permanent home They sparked not just a population boom in popular tourist destinations like Colorado but also a new kind of environmental politics as they demanded protection for the aesthetic and recreational qualities of place that promoters had sold them Those demands energized the American environmental movement but also gave it blind spots that still plague it today Peopled with colorful characters richly evocative of the Rocky Mountain landscape Vacationland forces us to consider how profoundly tourism changed Colorado and America and to grapple with both the potential and the problems of our familiar ways of relating to environment nature and place *Weekly World News* ,1981-05-05 Rooted in the creative success of over 30 years of supermarket tabloid publishing the *Weekly World News* has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site *Colored Cold* Wanda Wolfe,Robert Titus,2013-04 Growing up in the still segregated South Wanda early on had her outlook *Colored Cold* The daughter of an unfaithful undertaker she had to pass the house of Miss Kathleen her father's mistress on her way to school whose children shouted taunts even the tobacco chewing toddler Tilly When her Arkansas town enforced integration white reporters came to her home to interview her mama who had bravely kept her children in school Mama spoke her mind in perfect English and didn't put up with people mistreating her family Mistreatment from Daddy was another matter Neglect and callousness from this relationship continued the chill that froze Wanda's future relationships *Colored Cold* gives a chilling account of poverty abuse and compounded consequences from poor choices Although most of her wisdom came through difficult experiences Wanda refused to succumb and strengthened her resolve This revealing autobiography shares one woman's heartache from broken promises and painful relationships **Lipstick and Lead 2.0 Box Set** Sylvia McDaniel,2020-10-16 Praise for *Lipstick and Lead 2.0* Loved this exciting adventure This is an action packed highly entertaining engaging and heart racing adventure filled with emotional thrills dangerous charters witty banter and edge of your seat twists a exciting read from beginning to end and a journey that will leave you energized and looking for more Loved it Sylvia McDaniel's bounty hunter books just keep getting better and better The unraveling of the mystery and drama was so twisted there are things you won't see coming A story not to be missed SPECTACULAR SPELLBINDING Spectacular Spellbinding Suspense Awesome Characters Well Written Nailing the Single Dad totally rocks Nailing the Hit Man The Redhead with the Gun Won't be Denied Nailing the Billionaire Will the Bounty Hunter Catch the Billionaire Nailing the Single Dad The Heat Is On [Index to the Honolulu Advertiser and Honolulu Star-bulletin](#) ,1982 **Secret Valentines** Katherine Sutcliffe,1998 The perfect Valentine's indulgence A heartwarming collection of stories by today's bestselling romance writers Four stories of passion and love *Primrose Lane* by Katherine Sutcliffe *A Secret Cupid* by Rachel Lee *For C Who Changed My Life* by Kate Freiman *Send Me No Flowers* by Sherry Lewis All new original stories first time in print Sutcliffe Lee and Freiman are all national bestselling authors Sherry Lewis is also the writer of a well received mystery series **The**
