We consider factors such as the organization's governance and financial model, record of accomplishment in the community and leadership team expertise.

2. What is the proposed impact Citi Foundation funds will have on the organization and the community?
We consider factors such as attainability of proposed results and the degree to which grant funds will result in increases in organizational capacity and improvements in economic conditions for those served.

3. How is diversity, equity, and inclusion (DEI) prioritized within the organization and its programs?
We consider factors such as the degree to which the organization is proactively advancing DEI, including through its hiring practices, board composition, procurement practices, and programming.

4. Is this the best possible use of Citi Foundation funds given other opportunities before us?

The Citi Foundation does not provide funding to:

- Private foundations
