Changing Faces Sean J. Marshall, 2012-06 I came into this world Sean John Marshall I am twenty seven years old and was born and raised in Colorado Springs Colorado I am a fine artist author a proud father of one beautiful baby girl and an all around entrepreneur But all of my pursuits came to an abrupt halt when I was consumed by a life of crime For so long I became a part of a problem Growing up in and around the streets I've caused much destruction in my lifetime I've been a part of gang violence sold drugs and was involved in countless thefts and armed robberies Now my life's focus is to inspire teach uplift and mend I now use life's experiences to grow and learn I feel obligated to pass on all the insight and knowledge I've obtained throughout the years to whoever I can By doing so people can learn from my mistakes and use me as an example because I've seen darker truths that people need not witness themselves I've walked rocky paths on which those can only stumble And if by sharing my views on paper and pouring my heart out through a pen can inspire or save just one life if by writing I can prevent someone from making some of the same mistakes I've made I will have done my part I will have at least saved one soul from having to suffer the afflictions I've faced And for that reason alone I write And for that reason alone I'll forever share my truths Colophon

[Views from the Streets](#) Roberto Aspholm, 2020-02-04 Chicago has long served as a symbol of urban pathology in the public imagination The city's staggering levels of violence and entrenched

gang culture occupy a central place in the national discourse yet remain poorly understood and are often stereotyped Views from the Streets explains the dramatic transformation of black street gangs on Chicago s South Side during the early twenty first century shedding new light on why gang violence persists and what might be done to address it Drawing on years of community work and in depth interviews with gang members Roberto R Aspholm describes in vivid detail the internal rebellions that shattered the city s infamous corporate style African American street gangs He explores how in the wake of these uprisings young gang members have radically refashioned gang culture and organization on Chicago s South Side rejecting traditional hierarchies and ideologies and instead embracing a fierce ethos of personal autonomy that has made contemporary gang violence increasingly spontaneous and unregulated In calling attention to the historical context of these issues and to the elements of resistance embedded in Chicago s contemporary gang culture Aspholm challenges conventional views of gang members as inherently pathological He critically analyzes highly touted universal violence prevention strategies depicting street level realities to illuminate why they have ultimately failed to reduce levels of bloodshed An unprecedented analysis of the nature and meaning of gang violence Views from the Streets proposes an alternative framework for addressing the seemingly intractable issues of inequality despair and violence in Chicago

Chicago Hustle and Flow Geoff Harkness, 2014-09-01 On September 4 2012 Joseph Coleman an eighteen year old aspiring gangsta rapper was gunned down in the Englewood neighborhood of Chicago Police immediately began investigating the connections between Coleman s murder and an online war of words and music he was having with another Chicago rapper in a rival gang In *Chicago Hustle and Flow* Geoff Harkness points out how common this type of incident can be when rap groups form as extensions of gangs Gangs and rap music he argues can be a deadly combination Set in one of the largest underground music scenes in the nation this book takes readers into the heart of gangsta rap culture in Chicago From the electric buzz of nightclubs to the sights and sounds of bedroom recording studios Harkness presents gripping accounts of the lives beliefs and ambitions of the gang members and rappers with whom he spent six years A music genre obsessed with authenticity gangsta rap promised those from crime infested neighborhoods a ticket out of poverty But while firsthand experiences with gangs and crime gave rappers a leg up it also meant carrying weapons and traveling collectively for protection Street gangs serve as a fan base and provide protection to rappers who bring in income and help to recruit for the gang In examining this symbiotic relationship *Chicago Hustle and Flow* ultimately illustrates how class stratification creates and maintains inequalities even at the level of a local rap music scene

Sincere Barry Ellis, 2010-02 Sincere s early years match my own in so many ways I was raised on the south side of Chicago and took to the streets and the drug and gang culture as a pre teen Before my high school class made it to graduation I was already in prison As a child I lived as an adult and the Feds sentenced me accordingly Now at the age of 27 with 10 years in I m able to see the error of my old ways I now use my experiences and credibility to help others that are still blinded by the shine to see the true consequences of the grind so that maybe they can avoid missing out on as much life as I have In writing Sincere my goal was to introduce the reader to the real people real struggles and real consequences with only a small bit of fantasy entertainment in between If the blunt rawness of the story troubles you I have done well in accurately describing a life that so many of us risked death to live **People of the State of Illinois V.
