Frankenstein's Daughters Jane L. Donawerth, 1997-04-01 Women Science fiction authors past and present are united by the problems they face in attempting to write in this genre an overwhelmingly male dominated field Science fiction has been defined by male centered scientific discourse that describes women as alien others rather than rational beings This perspective has defined the boundaries of science fiction resulting in women writers being excluded as equal participants in the genre Frankenstein's Daughters explores the different strategies women have used to negotiate the minefields of their chosen career they have created a unique utopian science formulated by and for women with women characters taking center stage and actively confronting oppressors This type of depiction is a radical departure from the condition where women are relegated to marginal roles within the narratives Donawerth takes a comprehensive look at the field and explores the works of authors such as Mary Shelley Marion Zimmer Bradley Ursula K Le Guin and Anne McCaffrey **Handbook of Social Justice in Education** William Ayers, Therese M. Quinn, David Stovall, 2009-06-02 The Handbook of Social Justice in Education a comprehensive and up to date review of the field addresses from multiple perspectives education theory research and practice in historical and ideological context with an emphasis on social movements for justice Each of the nine sections explores a primary theme of social justice and education Historical and Theoretical Perspectives International Perspectives on Social Justice in Education Race and Ethnicity Language and Identity Seeking Social Justice in Education Gender Sexuality and Social Justice in Education Bodies Disability and the Fight for Social Justice in Education Youth and Social Justice in Education Globalization Local and World Issues in Education The Politics of Social Justice Meets Practice Teacher Education and School Change Classrooms Pedagogy and Practicing Justice Timely and essential this is a must have volume for researchers professionals and students across the fields of educational foundations multicultural diversity education educational policy and curriculum and instruction **Resources in Education**, 1995 **Bloomsbury Teacher Guide: Frankenstein** Fe Brewer, Mary Hind-Portley, Gwen Nelson, 2025-06-19 Bloomsbury Teacher Guide Frankenstein is everything you need to teach Mary Shelley's seminal text perfect for GCSE and A Level students Introduce your students to the seminal world of Frankenstein with this exciting research informed teaching guide and offering new insights into the text including stylistic and linguistic approaches use of the Gothic genre and feminist readings of the text Each chapter contains key plot points character analysis and central themes detailed analysis of language form and structure emphasis on historical and cultural context suggested approaches and resources to support schemes of work lesson ideas to enhance subject knowledge on key areas of the text Bloomsbury Teacher Guides contain research informed engaging strategies for relevant
