Installation/Instructions Manual

• Safety notes are marked with  **WARNING** or  **CAUTION**, depending on the severity of possible consequences that may result when the instructions are not followed exactly as stated. Proper installation is important for your safety and proper functioning of the units. Thoroughly read the following safety precautions prior to installation.

To ensure safety and proper operation of the unit, the unit should only be installed by qualified personnel.

After reading this manual, pass the manual on to the end user to retain for future reference.

The users should keep this manual for future reference and refer to it as necessary. This manual should be made available to those who repair or relocate the units. Make sure that the manual is passed on to any future air condition system users.
