

Human Resource Management

N4 – HRM and Ethics

Introduction

Ethics: the study of the general nature of morals and of the specific moral choices to be made by an individual in his or her relationship with others, and the rules or standards governing the conduct of the members of a profession.

Ethics as a contested terrain

Duty (Kant)

- 'Act only on that maxim by which you can at the same time will that it become universal law' (Kant cited in Budd and Scoville 2005: 9)
- Doing the right thing - inconsistent with meritocracy

Utility (Bentham)

- Advocates the greatest happiness to the greatest number of people
- Promotes efficiency, not necessarily equality

Fairness (Rawls)

- Ethical theory of distributive justice – 'differential outcomes acceptable only if they reflect legitimate differences' (Budd and Scoville 2005: 11)
- Accounts for inherent disadvantages – does it promote difference/[positive] discrimination

Dilemma no.1 – HR Practices

Is employee surveillance ethical?

- "No" from a Kantian perspective (surveillance is not something that should be a universal maxim)
- "Yes" from a utilitarian perspective (safety to the greatest number at costs of freedom for a few)

Is variable pay ethical?

- "Yes" from a utilitarian perspective (fair and equitable recognition of performance)

Human Resource N4 Question Paper

Human Resource N4 Question Paper:

Human Resource N4 Question Paper Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Human Resource N4 Question Paper**," written by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
