Thus Until Emilia Ilieva, Reuben Matheka, 2025-08-04 *Thus Until A History of Egerton University* is a thorough historical chronological and well researched account of Egerton University from a whites only college when it started in 1939 through to the expansion it has experienced over the years culminating in being a full university More than any other university in Kenya Egerton has a long and colourful history but like all the other universities it has suffered from the political economic and financial challenges of
