

Manual decompressor

A close-up photograph showing a person's hand operating a manual decompressor. The device is a small, cylindrical metal tool with a handle and a spring mechanism. It is being pressed against a metal component, likely a piston or valve, which is held in place by a larger metal fixture. The background is dark and out of focus, showing some mechanical parts and a textured surface. The text "Manual decompressor" is overlaid at the top in a large, white, bold font with a black outline. The text "Someone commented to show if it works?" is overlaid at the bottom in a similar font. A "KINEMASTER" watermark is visible in the upper right corner.

KINEMASTER

Someone commented to
show if it works?
