Environmental Security in Africa Augustine Avwunudiogba, Leonard Sitji Bombom, Elisha Jasper Dung, 2024-08-19 Environmental Security in Africa Conflicts Politics and Development investigates the nature scope and dimension of environmental security in Africa from a multidisciplinary perspective to examines the history theories spatial patterns sociocultural socioeconomic consequences and legal ramifications of Africa s environmental concerns This book is grounded in theories that cut across the social behavioral and environmental sciences arguing that environmental security is a multifaceted subject intricately linked to global climate change and magnified by globalization Drawing from case studies across different parts of Africa Elisha Jasper Dung Leonard

Sitji Bombom Augustine Avwunudiogba and the contributors argue that the integral part of the solution to Africa's environmental security issues are entrenched in victims' local regional social cultural political and economic circumstances in specific geographical locations such as Nigeria Northeast Africa Kenya and South Sudan. Comprised of 17 chapters, this book provides a unique perspective that facilitates understanding the complex problem of environmental security and its sundry ramifications for scholars and policymakers.

The Handbook of Energy Policy Farhad Taghizadeh-Hesary, Dayong Zhang, 2023-04-29. The Handbook of Energy Policy is a unique and novel reference for addressing the policy implications of energy demand and supply from their economic political social planning and environmental aspects. The Handbook of Energy Policy provides several studies from the global regional national or local perspectives that are of wider policy significance. Studies provided in this book are of interest to the international organizations governments public and private sector entities local communities universities research institutions and other non governmental organizations. Topics covered in the Handbook of Energy Policy are including energy security energy poverty energy finance energy pricing energy and environment energy and sustainability energy and growth energy efficiency energy trade technological innovation and energy energy transition energy nexus studies economics and policy of fossil fuels economics and policy of renewable and green energies. The policy recommendations provided in all chapters are supported by a rigorous empirical or theoretical analysis.

National and International Security Michael Sheehan, 2018-01-18. This title was first published in 2000. This series brings together significant journal articles appearing in the field of comparative politics over the past 30 years. The aim is to render accessible to teachers researchers and students an extensive range of essays to provide a basis for understanding the established terrain and new ground. This volume introduces the undergraduate to a significant body of the periodical literature on the subject of national and international security.
