MULTIMEDIA PROJECTION

Dynamic and effective.

Figure 4.4 outlines the effort to create the Big Sister State's online presence over a two-year period. Developing a fully functional online presence took three years to complete. It involved building a website for the state's public information, creating a social media presence, and developing a digital strategy. The website's architecture was designed to be flexible and scalable, allowing for the addition of new content and features as needed. The social media presence was built on a foundation of transparency and accountability, with a focus on engaging the public and providing timely information. The digital strategy was developed to ensure that the state's online presence was effective and efficient, with a focus on reaching the target audience and providing a seamless user experience.
