The Birth of a New Agriculture Adalbert Graf Von Keyserlingk, 2009 In 1924 at Koberwitz the estate of Count and Countess Keyserlingk Rudolf Steiner gave a key course of

lectures on agriculture At a time when industrial methods were being introduced into farming Steiner had a radically different evolutionary vision Based on a revitalized relationship with nature his approach encompassed knowledge of the cosmos the elemental world and the Earth and utilized special planting methods and preparations Today biodynamic agriculture is widely valued and used around the world In addition to the lively and entertaining accounts of the agriculture course held at Koberwitz this extraordinary book features Countess Keyserlingk's memories of her meetings with Rudolf Steiner who told the Countess her form of consciousness would be usual in the third millennium Her reminiscences reflect this uncommon quality Also included are essays by the editor that incorporate rare material including communications received by Countess Keyserlingk after Steiner's death This book will be of interest to students of biodynamics as well as those interested in how Rudolf Steiner worked to develop Anthroposophy It is compiled and edited by Adalbert Graf von Keyserlingk the son of the Count and Countess who hosted the Koberwitz conference

Early Encounters Delores Bird Carpenter, 1995-05-31 Early Encounters contains a selection of nineteen essays from the papers of prominent New England historian antiquarian and genealogist Warren Sears Nickerson 1880-1966 This extensive study of his own family ties to the Mayflower and his exhaustive investigation of the first contacts between Europeans and Native Americans in what is today New England made him an unquestioned authority in both fields The research upon which the text of Early Encounters is based occurred between the 1920s and the 1950s Each of Nickerson's works included in this carefully edited volume is placed in its context by Delores Bird Carpenter she provides the reader with a wealth of useful background information about each essay's origin as well as Nickerson's reasons for undertaking the research Material is arranged thematically the arrival of the Mayflower conflicts between Europeans and Native Americans and other topics related to the history and legends of early European settlement on Cape Cod Early Encounters is a thoughtfully researched readable book that presents a rich and varied account of life in colonial New England

'Who the Devil taught thee so much Italian?' Jason Lawrence, 2013-07-19 This book offers a comprehensive account of the methods and practice of learning modern languages particularly Italian in late sixteenth and early seventeenth century England It is the first study to suggest a fundamental connection between language learning habits and the techniques for both reading and imitating Italian materials employed by a range of poets and dramatists such as Daniel Drummond Marston and Shakespeare in the period The widespread use of bilingual parallel text instruction manuals from the 1570s onwards most notably those of the Italian teacher John Florio highlights the importance of translation in the language learning process This study emphasises the impact of language learning translation on contemporary habits of literary imitation in its detailed analyses of Daniel's sonnet sequence Delia and his pastoral tragicomedies and Shakespeare's use of Italian materials in Measure for Measure and Othello

The Great Encounter Jayme A. Sokolow, 2003 By putting the story of the native Americans and their encounters with Europeans at its centre this work explores a new history in which the indigenous peoples become vibrant and vitally important components of the British
