need to abandon authoritarian dogma founded upon politically correct ideology rather than historical experience Norton offers a clear exposition of the evidence for ancient indigenous and pre modern queer cultural continuity revealing how knowledge of that history has been suppressed and censored and sets out the queer cultural essentialist position on the key topics of queer history role identity bisexuality orientation linguistics social control homophobia subcultures and kinship patterns

Taormino, 2023-08-28 In *A Part of the Heart Can't Be Eaten* award winning author sex educator filmmaker and podcast host Tristan Taormino shares her coming of age story revealing how her radical sexuality and unconventional career grew out of an extraordinary queer father daughter relationship Raised by a hard working single mother on Long Island Tristan got her sex ed from the 1980s TV show *Solid Gold* and *The Joy of Sex* She spent summers at drag shows in Provincetown with her father Bill who had come out as gay in the mid 1970s Her sexual identity bloomed during her college years at Wesleyan University where she discovered her desire for butches and kinky sex Tristan's world began to fall apart when her dad was diagnosed with AIDS After a series of devastating events she moved to the messy glorious world of 1990s New York City In

the midst of grief and depression she helped change queer sexual subculture with her zine Pucker Up her infamous The Village Voice column and her editorship of legendary lesbian porn magazine On Our Backs After the publication of her first book The Ultimate Guide to Anal Sex for Women Tristan followed her own path that marked the beginning of her work as a trailblazing feminist pornographer After a lifetime of outrageous adventures Tristan reflects on the bonds loss and mental health struggles that shaped her She weaves together history from her father s unpublished memoir exploring the surprising ways their personal patterns converge and diverge Bracingly emotional and erotically charged A Part of the Heart Can t Be Eaten reveals the transformative power of queer pleasure and defiance **Ernest Hemingway** R. Lesbians in Academia Beth Mintz,Esther D. Rothblum,2013-10-31 How can being closeted or out affect the personal and professional life of a lesbian in academia This volume a collection of over thirty personal narratives explores what it s like to be a lesbian working in a college or university setting Along with the stories are in depth analyses of the narratives by other academics Issues such as race class and age and how these factors distinguish each individual s place in the academy are examined The contributors have written from a wide range of experiences different degrees of outness various academic disciplines many geographic locations and several types of academic settings *Polish Sexual Revolutions* Anna Dobrowolska,2025-08-05 We are used to thinking that the sexual revolution of the 1960s and 1970s was an essentially Western phenomenon The surge in pornographic production effective oral contraception and new developments in fashion and popular culture all seem to be inextricably linked with a capitalist economy Yet little has still been written about the transformations of intimate lives on the other side of the Iron Curtain Was there a sexual revolution behind the Berlin Wall

And if so what areas of social life did it impact Did women in the words of Kristen Ghodsee have better sex under socialism Polish Sexual Revolutions Negotiating Sexuality and Modernity behind the Iron Curtain studies the history of sexuality in state socialist Poland in its European and global contexts focusing on how communism transformed both sexual discourses and intimate practices between 1945 and 1989 It reconfigures our understanding of the sexual revolution departing from the case study of Poland to complicate the oversimplified and much misused concepts of sexual modernity and progress Engaging with the most recent scholarship on sexuality in East Central Europe and a wide range of unused primary material including visual and material sources the monograph reassesses the role played by communist states in modernising their citizens approaches to sex Contrary to the stereotype which perceives the region as lagging behind the West in sexual matters and having to catch up after 1989 the book sheds light on the ambiguous and progressive histories of state socialist entanglements with sex to showcase alternative visions of sexual liberation In so doing and by focusing on forgotten genealogies of discussions of sexuality the monograph historicises the roots of contemporary debates on sex education LGBTQ and women s rights in the region
