GEHL COMPANY

HL2500 - INTRODUCTION

Hi Dealer:

Use complete information when ordering service parts. Always get complete part number and also complete part description. The model number and serial number should always be given. Numbers for the HL2500 are stamped on a plate located on Left side of the Upper Floor Over Wheel. LT2000 numbers are located on the Right Handover Wheel.

"Right" and "Left" are determined from a position sitting on the seat and looking forward. From this position, the Operator Floor Switch is on the right. "Front" is the loading side and "Rear" is the trailing side when the unit is traveling forward.

Gehl Company reserves the right to make changes or improvements to the design or construction of any part without incurring the obligation to notify such changes in any way previously advised.
