

# ANNUAL MAINTENANCE CHECKLIST

This checklist is intended as a guide to help plan and track the scheduled maintenance activities for your Real Power generator through each calendar year. Always interpret the "frequency" directions on the far right column to be the lesser of the two options. Refer back to your owner's manual for more information on each service item.

**WARNING:** Before performing any maintenance on any portion of the Real Power generation system, the vehicle must be off with the keys removed from the ignition and the generator and all parts of the vehicle must be allowed to cool down after use.
