

A Reflection:

My successes are not only mine. They are the reflection of all the people who work hard to achieve a goal, a dream, a hope. They are the reflection of all the people who work hard to strive.

My mistakes are not just my mistakes. They are the reflection of the nature and the imperfections of the human being. What people think, say or feel about me is also a reflection. A reflection of what they carry inside, a reflection of their feelings and their thoughts.

The way I treat every single person, is also a reflection. A reflection of how each person treats me.

Life is a reflection. If we give hate or love that is what will be reflected in our lives.

Sometimes we don't see things as they are, we see things the way we think they are, we see a Reflection.
