RATES

Our standard rates are \$69-74 (\$79 for suites), but right now we are running an introductory weekday special rate of \$59-64 plus tax for all rooms. Generally, we save our 2 room suites for guests staying 7 or more nights. All rates are programmed into Opera under the SR2 code.

Companies have different negotiated rates and are programmed into the company profile. The rate code is at the end of the company profile name:

L49, L54, L59, and L64 all have the negotiated rate in its name for standard rooms, but the rate goes up for Premium rooms. People getting a discount should not be given the Premium rooms unless they agree to pay the higher rate. F59 and F64 are flat rates for any room type. We must be careful in how we offer these rates. We always start by selling the L59 (same as SR2), which most of our companies will be on. If you get resistance to the rate, you can involve the GM or Sanjeev if possible. If not, you can offer as low as the L49 rate
