

GUIDELINES FOR WRITING THE STUDENT REPORT

Student Report

Name of the University: Bishop's University

Exchange semester: Fall, 2015

I. PRACTICAL INFORMATION

Before leaving Norway

- When and how did you receive information from the exchange university, and did you encounter any difficulties?

In March, I received an email with information regarding everything you need to know before starting your semester at Bishop's. The university will inform you about everything you need to know about housing and dining possibilities, selection of courses and health insurance.

Applying for a visa (if applicable)

- How did you apply for your visa, what did it cost and did you have difficulties?

I did not apply for a visa since I was staying for only one semester, but I did apply for an Electronic Travel Authorization (eTA), which is mandatory for everyone entering or transiting Canada by air. This is an online application and gets approved within the day. Remember to bring your acceptance letter from Bishop's through customs, as they will ask you to show it.

Travel

- How did you travel to your destination?

I travelled from Oslo to London with SAS and London to Montreal with Air Canada, which was very convenient. The tickets can be expensive, so make sure that you book your tickets in good time. Since it takes approximately two hours to drive from Montreal to Lennoxville, I stayed one night at a hotel in Montreal. I highly recommend this if you arrive late in Montreal. I took a bus that is called "Limocar" from Montreal to Lennoxville, which is easy and you will probably meet other students going to Bishop's on this bus.

Housing

- Was housing provided by the university? If not, did you receive support from the school?

Most first year and exchange students live on campus, but the school offers assistance if you want to live off campus. Living on campus brings you close to the dining hall, the sports center and the classrooms. I lived in a residence called "Paterson", which is an apartment that you share with three others. This is the newest building and has a better standard than other residences. The other residences are older, which makes them colder during the winter. I lived with three other exchange students. In Paterson, you have your own room that you can lock, two bathrooms, a kitchen and a living room. All students living on campus have to have a meal plan, but if you live in
