Hmmmmm . . . BlakelyCollierBrown,2015-06-19 Hmmmmm is a creative work of fiction accentuated by Gods Holy Spirit There are true to life experiences about human frailties sexuality natural and spiritual interactions as well as great personalities and disgusting characters This is not going to be one of those religious novels where the author will tell how people received Salvation through Jesus Christ and everything fell right into place Forget it God knows exactly what He has created God is good and He loves you Our utmost fear is and it is fear we are afraid to know Him in a personal relationship Human reasoning believes its impossible to know God intimately Gods son Jesus died for pedophiles heterosexuals adulterers gays lesbians sexual deviants serial killers murderers terrorists gangbangers school teachers porn stars presidents kings queens soldiers childrenwhomever He made you He made all of us He is Alpha and Omega the Beginning and the End of a thing For the wisdom of this world is foolishness with God For it is written He catches the wise in their own craftiness And again The Lord knows the thoughts of the wise that they are futile 1 Cor 3 1920
