Encyclopedia of British Humorists Steven H. Gale, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company **Luther's The Church Held Captive in Babylon** Denis Janz, 2019-02-13 In August of 1520 Martin Luther published the first of three incendiary works Address to the German Nobility in which he urged secular authorities to take a strong hand in reforming the Roman church In October he published *The Church Held Captive* and by December the deepest theological rationale appeared in *The Freedom of a Christian* With these three books the relatively unknown Friar Martin exploded onto the Western European literary and religious scene These three works have been universally acknowledged as classics of the Reformation and of the Western religious tradition in general Though Reformation scholars have been reluctant to single out one as the most important of the three Denis Janz proposes a bold case for *The Church Held Captive* In the first entirely new translation in more than a century Janz presents Luther s text as it hasn t been read in English before Previous translations stifle the original text by dulling the sharpest edges of its argumentation and tame Luther by substituting euphemisms for his vulgarities In Janz s dual language edition we see the provocative offensive and extreme restored In his wide ranging introduction Janz offers much needed context to clarify the role of *The Church Held Captive* in Luther s life and the life of the Reformation This edition is the most reader friendly scholarly version of Luther s classic in the English language **Thomas More's Vocation** Frank Mitjans, 2023-01-31 The book considers Thomas More s early life choices An early letter is cited by biographers but most miss More s reference to the

market place More's great grandson Cresacre a Londoner understood it correctly and that gives reason to trust him on other aspects of More's youth This study is based on early testimonies those of Erasmus Roper Harpsfield Stapleton and Cresacre More as well as More's early writings the Pageant Verses and his additions omissions to the Life of Pico evidence drawn from authors he recommended like Hilton and Gerson and finally his epitaph Attention is given to his lectures on St Augustine's City of God and to St John Chrysostom It is argued More studied Chrysostom's Homilies on the Gospel of St Matthew i from a Greek manuscript Chrysostom in the introductory homily spoke of the city and the market place as the setting in which Christians practice the teaching of Christ More practiced law and taught it He was attracted to becoming a Christian humanist alongside Grocyn Colet Linacre and Lily With them he studied Greek the classics and Fathers of the Church Helped by them he became a man of prayer aware of the need to seek holiness in the midst of the world as a layman Faced with the dilemma of the humanist in choosing between the contemplative life of the philosopher and an active life of engagement with the world he deliberately chose the active life in service to society and the contemplative life of the Christian as a married man This awareness and choice is what is called vocation implying determination to persevere throughout life More saw his life as a pilgrimage towards heaven as described in the last chapter focusing on More's last work *De tristitia tedio pavore et oratione christi ante captionem eius* *The Family of Love in English Society, 1550-1630* Christopher W.
