Decade of Change Geoffrey Brewer, Barb Sanford, 2011-05-17 The momentousness of change during the past 10 years has inspired the Gallup Management Journal, an online business magazine that posts articles weekly for nearly 300,000 subscribers to review how it covered and evaluated events during this period, how it tried to make sense of rapid change right as it was unfolding and most importantly how Gallup's most visionary people as well as the great minds with whom Gallup regularly associates helped organizational leaders navigate the most tumultuous years in memory. In these pages you'll find insights and wisdom into how to manage and make the most of change. Nobel Prize winner Daniel Kahneman probes the nature of decision making. Lieutenant General Russel Honoré of Hurricane Katrina fame offers leadership lessons he applied in the crucible of crisis. Vinton Cerf, one of the creators of the Internet, tells how he'll get six billion people online. Visionary executive Ray Anderson makes a powerful business case for environmental sustainability. Gallup Chairman and CEO Jim Clifton reveals what everyone in the globe most wants. And a host of other executives and thinkers tackle everything from mitigating the fear of layoffs to promoting wellbeing in the workplace to building customer engagement amid the post-crash new normal.

Handbook of Research on Creating Sustainable Value in the Global Economy Akkucuk, Ulas, 2019-11-15 During the first decade of the 21st century the world has witnessed a plethora of corporate scandals, global economic crises and rising environmental concerns. As a result of these developments, pressure has been mounting on businesses to pay more attention to the environmental and resource consequences of the products they produce and services they deliver. The Handbook of Research on Creating Sustainable Value in the Global Economy contains a collection of pioneering research on the integration of issues of sustainability within the traditional areas of management. While highlighting topics including green marketing, circular economy and sustainable business, this book is ideally designed for managers, executives, environmentalists, economists, business professionals, researchers, academicians and students in disciplines including marketing, economics, finance, operations management, communication science and information technology.
