How Do I Hot Wire A Car:

How to Hotwire Engines Tristan Trubble, 2017-05-05 There are several reasons a person might need to hotwire a car such as misplacing keys and not wanting to hire an expensive locksmith or maybe the ignition switch has malfunctioned Perhaps the person is running from a threat and survival requires emergency measures such as borrowing a vehicle long enough to reach safety It's really none of my business why someone might be interested in hotwiring a vehicle however I can tell you how to do it the right way should you ever find yourself in need In this book we take a look at the reasons a person might find it necessary to hotwire a vehicle We also touch on the legal ramifications of taking such actions especially with vehicles that you do not own personally In almost all cases once this journey has begun the ignition switch and wiring will need to be replaced and or repaired It is important to learn to do this the right way if for no other reason than to prevent accidents and further damage from occurring during the process If you work on a lot of vehicles or if you often misplace vehicle keys then this is the right guide for you Make hotwiring a vehicle quick simple and easy with this instructive guide

The Switch Joseph Finder, 2018-05-29 A simple mix up throws an innocent man into the cross hairs of sinister government secrets and ruthless political ambitions in this timely electrifying thriller from New York Times bestselling author Joseph Finder Michael Tanner is on his way home from a business trip when he accidentally picks up the wrong MacBook in an airport security line He doesn't notice the mix up until he arrives home in Boston but by then it's too late Tanner's curiosity gets the better of him when he discovers that the owner is a US senator and that the laptop contains top secret files When Senator Susan Robbins realizes she's come back with the wrong laptop she calls her young chief of staff Will Abbott in a panic Both know that the senator broke the law by uploading classified documents onto her personal computer If those documents wind up in the wrong hands it could be Snowden 2.0 and her career in politics will be over She needs to recover the MacBook before it's too late When Will fails to gain Tanner's cooperation he is forced to take measures to retrieve the laptop before a bigger security breach is revealed He turns to an unscrupulous fixer for help In the meantime the security agency whose files the senator has appropriated has its own methods darker still and suddenly Tanner finds himself a hunted man on the run terrified for the safety of his family in desperate need of a plan and able to trust no one
