can't buy a simpler and happier life *From a Long Way* Sam Egube, 2018-06-20 *From a Long Way* is the story of life's outcomes that can be explained with the benefit of hindsight. Life in the now seems confused and appears to be influenced by factors out of our control. It looks like a series of surprises and accidents delivered to us from outside us and not within. It is a series of luck, good or bad, rather than a craft woven skillfully and deliberately toward a desired outcome, but our lives hardly surprise us. Even though I continue to live the story of my life, it continues to show that we are influenced from within by the rationale we have embraced through our exposure to the world and the people of the world. Indeed, it is not what we go through that throws out a bad outcome, but the meaning our minds attach to it. All things can work together for our good so that there are no regrets. This is the story of the lessons of my life so far, which makes me approach my future with eager anticipation.

But no one can ever see past how weird I am. Bright lights. Can't stand them. Loud noises. Definitely sends me over the edge. And touching. Forget about it. At least until I met Drake. From the moment I walked into that nightclub, I finally felt like I belonged somewhere. And when Drake touched me, it didn't send me into a tailspin of sensations that I couldn't stand. It actually felt nice. Like something I could get used to. And it doesn't hurt that he's probably the hottest guy I've ever seen. But now someone wants to close the club down. And since I promised Drake that I'd help him keep it open, I'm going to have to find a way to tap into whatever that inner strength thing is that everyone always talks about. And fast. But what happens if I can't?

The universe controls the timing no matter how impatient we may be and all we can do is follow the path listen look and feel our way through as the veil is lifted bringing the picture into focus. When I first saw the YouTube video of Husavik My Hometown Molly's energy and physical beauty hit me like a lightning bolt. I would feel a connection to her songs but her powerful voice reached deep within reminding me that life was to be lived not merely existed. The smile in her eyes reminded me of the radiant beauty and majesty of the northern lights her performance at the Oscars preshow sealed it for me. I felt the full force of that lightning strike. I sensed her strong internal strength watching the interview she gave about her story admiring it even though I don't understand the Swedish language I was captivated by it all but there was more. Don't dismiss a gift because the packaging isn't what you think it should be. Open your eyes heart mind and soul nurturing them all. Focus on the next step and motivate yourself to move in your heart's direction find it reach for it embrace it and share it with others to spread a little light like ripples in a pond. I do not know your name yet but I am making this affirmation long before we ever meet or recognize each other's light and energy. I want the reason to be for a season and for that season to last beyond our lifetime and I hope you will feel the same. *It's Not About the Money* Brent Kessel, 2024-05-21 This magnificent book will show you how to align your financial decisions with your heart and soul.
