Ethical Case Studies for Coach Development and Practice Wendy-Ann Smith, Eva Hirsch Pontes, Dumisani Magadlela, David Clutterbuck, 2023-12-22. Providing both a depth and breadth of examples of ethical dilemmas which coaches may face as part of their practice, this book is the first comprehensive handbook of case studies in the field, supporting coaches in developing their ethical awareness and competence. The world of coaching has become increasingly complex over the past two decades. While the professional bodies have all released codes of conduct or ethical guidelines, these at best deal with general principles and serve as a point of reference for reflection. Ethical Case Studies for Coach Development and Practice is an essential accompaniment for coaches. Written by seasoned practitioners, this companion coaching case study book offers a more personal perspective on ethics in practice. Its simple, structured layout and focus on ethical dilemmas make it an attractive course supplementary text and resource for practitioners. Divided into two sections, the guide explores the following themes: ethical development, coach education, one to one coaching, individual and group supervision, team coaching, external coaching, assignments, internal coaching, digital and AI coaching, power in coaching and the promotion of coaching. This book is a vital resource for coaches at all levels of experience in their professional coach journey and for those with more experience in the development of ethical thinking and practice, such as supervisors, consultants in leadership development, human resource
