Powers, 2015-02-01 Have you ever been so caught up in someone else s story you were living it Do you ache for something that feels more real than the life you re living If you ever wondered whether there was something more someone amazing waiting for you that could quench your desire to be fully alive again if you wondered whether there is such a thing as soul mates or the one Union will assure you that you are not alone Author Kimberly E Powers shares raw truths and honest humor

through her often reluctant journey to understand the ache and loneliness she felt in her seemingly perfect life What she found revealed the nature of relationships with herself and others Her quest to feel normal engulfed her in ill fitting routines Lost connections to passion joy and a world beyond that she once understood left her begging God for answers Receiving the answers one by one in unusual ways she eventually regained her strength and awakened to peace in the stillness of her soul that is until she dared to ask the question What could be better than this She found the answer in the 2010 movie Eat Pray Love The advice given to Elizabeth Gilbert by Ketut Sometimes to lose your balance for love is part of living balanced life would haunt Kimberly s mind and change her destiny Recognizing this story as her own only much less glamorous without the travel to exotic places but rather in a normal town as a single soccer mom with two sons and an advertising agency Kimberly embarked on a dream she almost didn t dare to want finding her Twin Flame What she believed would be her destination was only a layer of the journey into her heart and the understanding of the truth of soul mates twin flames and the falling in union with One

365 Glasses of Wine Helen Brown,2017-02-15 After finding myself out of work I needed something that would keep my brain working on an intellectual level higher than housework provided I joined Photo a Day in August 2013 and it helped However my world was becoming very small as I traveled very little even to town I found by the end of August 2014 that I was struggling to find photos that werent just repeated So I made a decision to take a break Four days later my life was turned upside down when my parents were involved in a car accident that took the life of my mother and kept my father in the hospital for three months At the beginning of November I decided to try again but it wasnt long when I was dealing with the same problem as before Depression was also becoming an increasing issue and I prayed that God would help me find a way to deal with it on

my own My mother was no longer available to talk to One morning it came to me that I might try to write a story using the prompt as the title and take a photo related to the story It seemed almost crazy but anything was worth a try After all I could only fail to deliver and there would be no shame in that just only in not trying I surprised myself There are some times when I would sit at the computer and have no idea what I was going to write and bit by bit the words would come There have also been times when I have written more than one story Other photos have also inspired stories It was one of my daughters who suggested that I put 366 of them together so you will have a story for each day to read These are much shorter than my other creations but I still pray that they will inspire you to keep going when life throws you a spanner Isaiah 55 8 says For my thoughts are not your thoughts neither are your ways my ways said the Lord How true
