The Whispers Within Nilsa L. Cleland, 2013-04-17 I heard him staggering down the hallway banging into the banister sloshing his drink of choice most likely a gin and tonic along the way As he reached for her door I felt my airways constrict and the walls of the room close in around me My body stiffened and my senses numbed as I listened for the faint squeak of my bedroom door to open softly I am 17 year old aristocratic born Candace Spencer and I quickly recognized the monster that prowled the darkness of my sanctuary My breath faded as the muscular figures slithered into my room and onto my body My nightmare only lasted a few minutes several times a week but I lost a part of my soul a little bit more during each horrific moment I closed my eyes and lived one more death as he devoured me but tonight I vowed it would end The prominent and respected businessman revered by the community would not return to my bedroom again Never again I had no idea how long it had been away a Spiritual Guide's time was measured very differently compared to human lifetime Was it a day later or had one or twenty years passed Right now I had my first assignment in my new form Mari Santiago a 16 year old teenager struggling to survive her family's domestic violence and sexual assaults in the tough streets of New York The Whispers Within reveals the parallel of two dissimilar lives between two teenagers one alive and the other dead Mari comes to know Candace in a manner she would have never dreamt Candace having lived life at the opposite economic strata from the inner city life Mari was accustomed to is only equipped with whispers of encouragement to defeat Mari's demons How will Candace handle returning to earth as a spirit when she did not deal with her own nemesis while alive Will Mari be consumed by the demons that surround her or will Candace pave a way for Mari to flee them Will they both come to know each other's demons Will Candace's whispers be enough for Mari to conquer her demons while building a new life

Dead Sleeping Shaman Elizabeth Kane Buzzelli, 2016-12-02 Fans of Louise Penny will love the Emily Kincaid mysteries by Elizabeth Kane Buzzelli The appeal of this third in the series comes both from Emily a likable character forging a new life after her divorce and the evocatively described nicely detailed small town setting Booklist The End Timers a cult like group have descended on part

time journalist and aspiring mystery author Emily Kincaid's small Michigan town. With dire warnings that the end of the world is just two weeks away, the entire community has been disrupted by psychics, cult followers, believers, and disbelievers alike. But when Emily's latest job assignment leads her to an eerily motionless woman propped against a tree, she realizes that at least one person's world has come to an end, all too soon. Emily soon learns that the victim, an eccentric psychic and leader of a shamanic healing group, harbored painful memories of the area and had mysterious ties to certain members of the cult. Turning to her friend Deputy Dolly Wakowski for help, she's stunned to learn that Dolly has turned in her badge and joined the cult, leaving Emily to fear for her friend's sanity and forcing her to try to solve the case on her own. As the days tick away to the end of the world, Emily has to navigate her way through a crowd of true believers, a group of shamanic well-wishers, and a suspiciously secretive cult leader to rescue her friend and catch a killer, all the while dreading that these few precious days may be her last.
