forthright a kind of Keeping Up with the Windsors with sprinkles of Keats The New York Times Notable Book of the Year ONE OF THE BEST BOOKS OF THE YEAR The Washington Post Elle Town Country Never again became Queen Elizabeth II's mantra shortly after Princess Diana's tragic death More specifically there could never be another Diana a member of the family whose global popularity upstaged outshone and posed an existential threat to the British monarchy Picking up where Tina Brown's masterful The Diana Chronicles left off The Palace Papers reveals how the royal family reinvented itself after the traumatic years when Diana's blazing celebrity ripped through the House of Windsor like a comet Brown takes readers on a tour de force journey through the scandals love affairs power plays and betrayals that have buffeted the monarchy over the last twenty five years We see the Queen's stoic resolve after the passing of Princess Margaret the Queen Mother and Prince Philip her partner for seven decades and how she triumphs in her Jubilee years even as family troubles rage around her Brown explores Prince Charles's determination to make Camilla Parker Bowles his wife the tension between William and Harry on different paths the ascendance of Kate Middleton the downfall of Prince Andrew and Harry and Meghan's stunning decision to step back as senior royals Despite the fragile monarchy's best efforts never again seems fast approaching Tina Brown has been observing and chronicling the British monarchy for three decades and her sweeping account is full of powerful revelations newly reported details and searing insight gleaned from remarkable access to royal insiders Stylish witty and erudite The Palace Papers will irrevocably change how the world perceives and understands the royal family

Hanoverian to Windsor Consorts Aidan Norrie, Carolyn Harris, J.L. Laynesmith, Danna R. Messer, Elena Woodacre, 2023-02-24 This book examines the lives and tenures of the consorts of the Hanoverian Saxe Coburg and Gotha and Windsor monarchs from 1727 to the present Some of the consorts examined in this volume such as Queen Elizabeth the Queen Mother consort to George VI are well known while others including Adelaide of Saxe Meiningen consort to William IV are more obscure These innovative and authoritative biographies bring a fresh approach to the consorts of this period revealing their lasting influence on the monarchy In addition to covering a period that has seen the development of constitutional monarchy and increased media scrutiny of the whole royal family this volume also looks to the future of the British monarchy suggesting ways that future consorts can learn from the example of their predecessors This volume and its companions reveal the changing nature of British consortship from the Norman Conquest to today

A Royal Conspiracy: Parallels between Princess Diana and Duchess Meghan Courtney Hargrove, 2023-04-17 Shape shifting lizards The King of England drowning his brother in a vat of wine A plot by Prince Philip to kill Princess Diana Vampires among the senior royals Those are only some of the conspiracy theories swirling around the British royal family throughout history But the thing about conspiracy theories is sometimes they turn out to be true On a more serious and current note conspiracy theories are at a fever pitch about what's happening with Duchess Meghan Prince Harry and their troubles with the British royal family and how it all connects to what happened in the 1980s and 90s with Princess Diana Please note before buying This is

not a book for diehard monarchists This book pulls no punches in relation to the institution of the British royal family Princess Diana was the People's Princess a beloved figure of empathy service beauty and glamour She died tragically too young in a horrific car crash in Paris in 1997 To this day conspiracy theories about what led up to her death from inside the British royal family and how the crash happened are still running rampant Meghan the Duchess of Sussex has also chosen a life of service and giving back She too has spoken of upsetting and dangerous things that have happened to her while working inside the British monarchy a fire in her son Archie's nursery an injured dog and courtiers allegedly holding American citizen Meghan's passport where she couldn't easily access it to name a few examples Conspiracy theories abound about what's happening now with Meghan Prince Harry and their family connects to what happened then with Princess Di Which theories hold water Which ones are so ridiculous as to be laughable Regardless of which conspiracies have the most buzz or credibility we've seen that some of them will never die And the monarchy continues its reign unimpinged living in part off of British taxpayers Will anything stop them

The Future Royal Family Robert Jobson, 2014-06-25 They have been dubbed the modern royals by the world's media and have not only won the hearts and the loyalty of millions of people around the world but have helped to re-establish the British royal family as an important and largely admired presence in national and international affairs In short Their Royal Highnesses the Duke and Duchess of Cambridge also known simply as William and Kate have done as much as anyone to bring the royal family into the twenty first century and to keep it firmly in the national consciousness The birth of Prince George their first child on 22 July 2013 fuelled such a worldwide media and public frenzy that it became the most talked about event of the year The birth of a future heir combined with the historic possibility of the first baby to be born not only to a Queen in waiting but to the son of the much mourned Diana Princess of Wales accounted for much of the excitement but that was stoked by a natural affection for the young couple From the beginning the world had watched with bated breath as the charming Prince William and his future bride overcame the struggles of university rumours and a brief break up before finally reconciling and becoming engaged Their ceremonial wedding in 2011 watched by an incredible estimated 2 billion people worldwide was a defining moment not only in their young lives but also for the perception of the monarchy The Duke and Duchess of Cambridge have come to embody the spirit and hope of their nation and their deserved popularity has had a profound effect upon the future of the royal family As well as a history of the young couple's romantic relationship this in depth book chronicles the next chapters in this modern fairy tale backed by beautiful photographs fascinating facts and expert analysis Now completely revised and updated to cover the period from the birth of Prince George to the arrival of the new prince or princess in April 2015 the book is both an intriguing insight into modern royalty and an unrivalled souvenir

Raising Royalty
 Carolyn Harris, 2017-04-08 How royal parents dealt with raising their children over the past thousand years from keeping Vikings at bay to fending off paparazzi William and Kate the Duke and Duchess of Cambridge are setting trends for millions of parents around the world The upbringing of their children Prince George and Princess Charlotte is the focus of intense popular scrutiny Royalty have always raised their children in the public eye and attracted praise or criticism according to parenting standards of their day Royal parents have faced unique challenges and held unique privileges In medieval times raising an heir often meant raising a rival and monarchs sometimes faced their grown children on the battlefield Conversely kings and queens who lost their thrones in wars or popular revolutions often found solace in time spent with their children In modern times royal duties and overseas tours have often separated young princes and princesses from their parents a circumstance that is slowly changing with the current generation of royalty
