Dear Mr. Conrad,

June 4, 2024

Ever since I entered university, I always had a soft spot for the young ones in my locality. Volunteering for multiple youth events has also helped me connect and learn with the next generation better. Hence, I'm sure that my passion and skill set will be just the thing Deep Creek Youth Academy needs from an entry-level paraprofessional.

My time as a childcare provider at Loving Lambs Child Care Center included overseeing 13 infants aged 3-7. I used Jackrabbit Care to mark attendance for all children with 98% accuracy and created invoices for families who enrolled for annual plans.

Being a volunteer for the "Annual Child Talent Show," I guided 18 candidates on the rules and regulations of the event. Using Microsoft Office, I created presentations and infographics that outlined the event details and helped children understand the steps to enter the competition.

This volunteering experience of mine attracted the attention of the local mayor who personally appointed me as the lead organizer for the city's "Sponsor a Child's Education" drive. During this stint, I led 14 volunteers on Asana to plan and prepare 29 funding events within 6 months. With persuasive and detailed advertisements, we raised \$3,942 for the drive—a 12% uptick from the previous year.

Throughout my career, I've shown strong skills in managing records and participating in local events. I am deeply committed to creating a learning environment that values inclusivity, engagement, and personal development. Thank you for considering my application.

Sincerely,

Julia Harris
