Mating Jasek Alaxian Heirs English Edition:

Mated to Two Bears Kelex, 2016-07-13 Game Warden Wade Travers is unwittingly pulled into the ongoing war between the werewolves and bear shifters when he is called in by local rangers to investigate the slaughter of animals. Chased behind the wall protecting Bear Mountain, he suddenly finds himself unable to leave and unable to stop thinking about the bear who saved him from the wolves. Exiled Penn McCreary doesn't live by rules. He remains close to watch over his brothers and keep the younger boys safe from the threat just outside the farm. That puts him in the right place at the right time. Playing the hero isn't Penn's normal MO, but he can't ignore his mate in danger. Penn doesn't take the answer no very well. Wade will be his by whatever means necessary.

Captured Kelex, 2016-09-14 Daniel is one of the last existing humans in the universe. Sold into sexual slavery by the very beings who destroyed Earth, he lives day by day surviving by yielding to his master. That is until he is captured and stolen from the whorehouse he called home by one of the men who aided in his planet's destruction. Galec has been sent to find Daniel and the map the human wears on his arm. A mythic treasure of untold value lays at the end if they can only decipher it. He captures the human, hoping the male knows more about the prize. What Galec doesn't expect is to fall for the human. Suddenly the treasure isn't as valuable as what he's already found. But can the human accept him? One Daniel claims helped destroy the world.

Theirs by Bond Kelex, 2018-06-13 Without much thought, Carson gave up his life in the human world to move to Bear Mountain and live with his mates, Jared and Royce. The bond he experienced with his two bears had felt so powerful that he'd plunged in headfirst, ready for a new adventure. As time has worn on, the potent lust they felt in those first days fades, and the weight of a new burgeoning romance falls on their shoulders. Adding in a new wrinkle, doubts form that threaten their chance at forever. They all soon discover that a relationship demands work on all sides. It will take commitment to propel them from the lust of their animal mating to the love they all sensed was possible from the start. Unless secrets tear them apart first.

One Wild Omega: An MPREG Omegaverse Book Kelex, 2019-11-13 From the first moment they met, Tanner McCreary and Fitz Walker have always had a love-hate relationship. One that bordered more on the latter, much to the chagrin of Tanner, who knew from first glance that Fitz was his alpha. For some reason, Fitz acted like he wanted absolutely nothing to do with him. Even with the scent masking drug, Scentex, keeping them free, an omega's alphas always seemed to sense something in the air when close. But that wasn't the case with Fitz. So Tanner backed off, licked his wounds, and figured fate would lead them back together someday. Maybe then things would be different. Someday came, but only made the situation worse. Tanner learned they shared a close friend in common, another omega. One Fitz eventually bedded. Brokenhearted, Tanner was sure the gods' fate or whoever was in charge of binding an alpha and an omega together had gotten it very, very wrong. His mate wasn't the one, apparently. Tanner lied to himself, saying he didn't care and kept his secret close. When the truth finally emerges, Fitz knows he has mountains to climb to make things right, and even that might not be enough.

____ This book is part of Kelex's Omegaverse; there are two series based in the same world.
