

Dear Mr. Jones,

I am a professional writing teacher. I have supervised her closely. I have been witness to her academic achievements from elementary school. I have been informed that because of her exceptional performance in her studies, she has been recommended for a scholarship program at your institution and for the same reason, I recommend her for the program.

During her studies in elementary school, she is regarded as her classmate. The teachers at the school use her as a model student. Her work from the first class was great. I have been recommended her school at the state level in a writing competition.

She is a perfect fit for the program because she is a student and can use without any doubt that she will use the program.

Sincerely,

John Doe
