Criminal Law Markus Dubber,Tatjana Hörnle,2014-03-27 Criminal Law A Comparative Approach presents a systematic and comprehensive analysis of the substantive criminal law of two major jurisdictions the United States and Germany Presupposing no familiarity with either U S or German criminal law the book will provide criminal law scholars and students with a rich comparative understanding of criminal law s foundations and central doctrines All foreign language sources have been translated into English cases and materials are accompanied by heavily cross referenced introductions and notes that place them within the framework of each country s criminal law system and highlight issues ripe for comparative analysis Divided into three parts the book covers foundational issues such as constitutional limits on the criminal law before tackling the major features of the general part of the criminal law and a selection of offences in the special part Throughout readers are exposed to alternative approaches to familiar problems in criminal law and as a result will have a chance to see a given country s criminal law doctrine on specific issues and in general from the critical distance of comparative analysis

**The Trial and Crucifixion of Jesus** David W. Chapman,Eckhard J. Schnabel,2015 The authors of this volume set themselves one task to trace the extra biblical primary texts that are relevant for understanding Jesus trial and crucifixion With that goal in mind the book is built on three major themes 1 Jesus trial interrogation before the Sanhedrin 2 Jesus trial before Pontius Pilatus and 3 crucifixion as a method of execution in antiquity In chronologically sequential order where possible the authors select and arrange an overwhelming amount of extra biblical primary texts 462 to be exact underneath these three categories 75 46 and 341 texts respectively Brian J Wright in Religious Studies Review

Heresy and Identity in Late Antiquity Eduard Iricinschi,Holger M. Zellentin,2008 The papers collected in this volume shift the focus away from heretics and heresy to heresiological discourse by contextualizing the late antique Jewish and Christian groups that produced our extant literature The contributors to the volume draw from multiple literary corpora and genres bringing a variety of late antique perspective to explore the discursive construction of the Other They unravel ethnic identities and re create the multiple voices textured in the dialogue between the orthodox and heretical writers
