

Les Paul and, like that ES-339 (and the 2008 Standard here), the Traditional has been Pick'd – although unlike the 2008 Standard there's no sticker on the bridge pickup or any visual clue. But overall set-up is again pretty good – something we haven't always been able to say about standard production Les Pauls in recent years.

The same goes for the nitro-cellulose finishing, which although it avoids the mirror-like dipped-in-glass sheen of, say, PRS, is still high-glossed. In various places though, such as the back and headstock edges, it is far from flat. Again, it looks so much sharper and less 'can't be bothered' than so many production Pauls of recent years.

The Traditional retains the classic look of aged-green-belloned Gibson tuners

The Rivals

PRS SC245 £2,295

Originally called the Singlecut, it split into two models: the modern rock SC250 and the more vintage LP-like SC245, which uses a smaller 622mm (24.5-inch) scale length with a chambered mahogany body and figured maple top. It is powered by the 245 humbuckers and options include bird inlays.

ESP Eclipse-II £1,349

ESP's single-cut Eclipse model accounts for over a third of all ESP/LTDs made. The Japanese-made Eclipse-II comes in an aged honey 'burst finish with 626mm (24.75-inch) scale, a thinner depth neck than the Gibson and 22 extra jumbo frets. It's powered by Seymour Duncan JB and '59 covered 'buckers.

Fret-King's Eclat Standard £999

Fret-King is one of the many brands conceived by Trev Wilkinson. The Fret King Blue Label range Eclat Standard is UK-designed and made in Korea. Close in style to the Les Paul it features 628mm scale and dual Fret-King PAF-like plus a rotary Vari-coil humbucker-to-single-coil control.
