Fighting With FEMA Michael Martinet, 2024-09-16 In this book disaster finance and cost recovery expert Michael Martinet provides unparalleled coverage of the practical real world key principles necessary to successfully navigate the nuances of federal regulations surrounding FEMA's Public Assistance program Accessibly written Martinet demystifies the many policies procedures and administrative processes a local government agency should adopt before a disaster to prepare themselves for a greater financial recovery after a disaster The intent is to awaken local authorities to the realities of the process and assist them in preparing for a day which all hope they will never see Designed for financial officers purchasing officials Public Works officials Building Safety officials public construction project managers and emergency management professionals at all levels of government *Fighting With FEMA* will also earn a place in the libraries of consulting disaster recovery specialists and students interested in the financial aspects of disasters

Physical Security and the Inspection Process Carl Roper, 1997 *Physical Security and The Inspection Process* illustrates the basic concepts and procedures for development implementation and management of a physical security inspection program It provides personnel with a model inspection procedure that can be specifically tailored to meet any company's reasonable minimum standards With detailed checklists broken down by security subject area the reader will be able to develop site specific checklists to meet organizational needs *Physical Security and the Inspection Process* is an important reference for security managers physical security inspection team chiefs team members and others responsible for physical security C A Roper is a security specialist and lead instructor with the Department of Defense Security Institute where he provides general and specialized security training throughout the US in Germany and in Panama Previously Mr Roper worked for the assistant chief of staff for intelligence Department of the Army and the Defense Communications Agency He is a counter intelligence technician with the US Army Reserve was activated for Desert Shield Desert Storm and has provided training and other support to various operations with the Army Navy and foreign national forces The most comprehensive physical security inspection checklist available A model inspection procedure that can be specifically tailored to any organization Provides practical guidelines for ensuring compliance with standards of effectiveness

Cultural Change from a Business Anthropology Perspective Elizabeth K. Briody, Maryann McCabe, 2017-11-09 This book offers keen insight and useful lessons underscoring the value of practice to theory Conceived by two anthropologists who lead consulting practices McCabe and Briody selected contributors to explore how cultural change happens in a variety of consumer and organizational contexts The 12 case studies illustrate the explanatory potential and the problem solving strengths of assemblage theory and the role of human agency in provoking cultural change The case studies are compelling due to connections between the case narratives and graphics and researcher engagement in the pragmatics of implementation both of which shape and encourage learning This volume will be markedly useful to practitioners engaged in research and implementation It will also appeal to students and faculty in a variety of fields
