3. He remembers when he was a child and had a power failure. His mother lit a candle and Montag had a moment of both physical and mental illumination. They were enjoying one another's company in the dark—and he didn't want the lights to come back on.
4. He laughed and said, "That's against the law!"
5. they argue about whether houses have ever been fireproof; that firemen used to put out fires

16. Seashell Radios (ear thimbles); she listens constantly to the broadcast of constant talking and sounds and "white" noise; she is an expert at lipreading, now; she may want to drown out other human interaction, she may just be so used to it that she doesn't think of doing anything else; possibly because of the constant hum or because they are so small

Study Guide for Decoding Fahrenheit 451 Steven Smith, 2024-01-17 Decoding Fahrenheit 451 provides a comprehensive overview of Ray Bradbury's seminal dystopian novel Fahrenheit 451. The narrative unfolds in three parts charting protagonist Guy Montag's transformation from a compliant fireman into a questioning rebel spurred by critical relationships and escalating conflicts that challenge societal norms and individual conscience. Central themes such as the dangers of censorship, the dehumanizing effects of technology, the valorization of knowledge, and the struggle between conformity and individuality are intricately woven into the fabric of the story. Bradbury employs a rich tapestry of literary techniques including symbolism, imagery, and allegory to deepen the narrative's impact and underscore its cautionary message. The relationships Montag forms with other characters are pivotal, revealing various facets of his personality and the societal dynamics at play. Through Montag's journey, Bradbury celebrates the human spirit's resilience and advocates for preserving intellectual freedom. This guide aims to enrich students' understanding of Fahrenheit 451, highlighting its enduring relevance and the critical need for vigilance in the preservation of individual thought and liberty in the face of oppressive forces.

Fahrenheit 451 Study Guide CD-ROM 430cd CD-Rom,2011-03-16 Guy Montag a fireman of the future is responsible for starting fires not stopping them In his society books have been banned all books save the firemen's own rule books which contain the ominous order Burn everything Montag finds pleasure in enforcing the status quo which is that pleasure in the ultimate good and intellectual pursuits are bad because they breed dissatisfaction and superiority At least he finds pleasure in his job until one autumn evening when a teenage neighbor Clarisse McClellan asks him a simple haunting question Are you happy The question takes on greater urgency when Montag discovers that his wife Mildred has overdosed on pills in a suicide attempt After she is perfunctorily and mechanically revived by technicians she has no memory of her actions and resumes her distraction filled days as though nothing has happened She continues to insist she is happy spending her time in the ironically named living room with her televised life sized family entertaining her from three wall sized screens The final shock to Montag's complacency occurs when he and his fellow firemen respond to an alarm at 11 North Elm Street where a woman possesses a contraband library Rather than passively submit to the firemen's kerosene she lights the match that ignites the books and herself As a result of this self immolation Montag clearly sees a new truth There must be something in books things we can't imagine and perhaps he thinks that something can heal not only his life and his marriage but also his happiness hunting society And so Montag begins to read forbidden books that he has hidden in his home putting his career and life in danger With the help of Faber a former professor of literature Montag seeks a way to help

or force his society to remember what it has forgotten With Fire Captain Beatty the firemen and their lethal Mechanical Hound in pursuit of him Montag races against time to save a society unaware that it is heading toward self destruction
