## **First Truth Truth 1 Dawn Cook:**

**Blood Work** Kim Harrison, Pedro Maia, 2012-02-22 When Ivy met Rachel the result wasn't exactly love at first sight Sparks flew as the living vampire and the stubborn witch learned what it meant to be partners Now Kim Harrison the acclaimed author of *Pale Demon* and *Black Magic Sanction* turns back the clock to tell the tale in an original full color graphic novel Hot as hell tough as nails detective Ivy Tamwood has been demoted from homicide down to lowly street crime detail As if rousting trolls and policing pixies instead of catching killers wasn't bad enough she's also been saddled with a newbie partner who's an earth witch It's enough to make any living vampire bare her fangs But when a coven of murderous witches begins preying on werewolves Rachel Morgan quickly proves she's a good witch who knows how to be a badass Together Ivy and Rachel hit the mean streets to deal swift justice to the evil element among Cincinnati's supernatural set But there's more to their partnership than they realize and more blood and black magic in their future than they bargained for

**Blood Crime (Graphic Novel)** Kim Harrison, 2012-10-30 You can't tell the story of how it all began for supernatural cops Ivy Tamwood and Rachel Morgan without telling how it all nearly ended The fiery living vampire and erstwhile earth witch never asked to be paired up in the first place And having to work Inderland Security's crummiest beat busting two bit paranormal street punks sure didn't sweeten the deal But when it counts Ivy and Rachel always have each other's backs They'd better because someone just hung targets on both of them It doesn't take a hotshot homicide detective to know that nearly getting flattened by a falling gargoyle or impaled by a lead pipe aren't on the job accidents But it doesn't seem possible that the class of crooks Ivy and Rachel routinely collar could kill anything but brain cells So who put Cincinnati's tough and tender twosome on their to do in list Is Ivy's vampire master the powerful and seductive Piscary jealous of her growing bloodlust and just plain lust for Rachel Or have forces unknown living or undead made the partners prey in a deadly witch and vampire hunt Before this case is cracked Ivy and Rachel will face down vicious dogs speeding locomotives rogue bloodsuckers and their own dark desires spells will be cast and blood will be spilled and Kim Harrison's hair raising heart racing dark urban world of magic and monsters will leap howling from the pages of her second electrifying full color graphic novel

**Fantasy Literature for Children and Young Adults** Ruth Nadelman Lynn, 2005-03-30 Bibliographic information grade level and annotations for nearly 7 500 fantasy books for grades 3-12 are given The introduction discusses the history of fantasy and awards presented to fantasy titles are listed
