Interfaces and Us Zachary Kaiser, 2023-01-12 We re all familiar with smart TVs making suggestions on our future watching real world exercise data being transferred into stats and infographics on our workout apps and turning up our home heating before we start our commute but how does this world of technological interfaces affect our actions and perceptions of self When society relies on computer models and their interfaces to explain and predict everything from love to geopolitical conflicts our own behaviour and choices are artificially changed Zachary Kaiser explores the harmful social consequences of this idea balanced against speed and ease for the user and how design practice and education can respond positively Concepts of freedom vs

convenience Smart objects and manipulation Real world information transformed into data Technology's decisions made on our behalf **Needy Media** Stephen Monteiro,2025-10-16 What makes our portable networked personal media devices smartphones tablets smartwatches so irresistible Reacting to our touch voice or gaze seizing and keeping our attention with sounds vibrations and screen prompts these objects construct an animated intimacy that builds trust and emotional dependence Needy Media explores how features such as face recognition awareness sensors and touchscreens have developed and intersected tying them to key concepts of psychology language and the body Surveying products and practices across a half century Stephen Monteiro argues that the appeal is as much about how media devices behave as it is about the information they convey Monteiro traces a symbiotic overreliance a neediness between users and devices fostered by personalized aspects of digital materiality The physical and emotional bonds that emerge he argues not only cast our devices as loyal companions adaptable to our needs and idiosyncrasies they also facilitate the corporate harvesting of massive amounts of personal data in the name of making technology more friendly intuitive and individualized Raising important questions about privacy and power Needy Media seeks answers in the complex and sensitive relationship between interface and body a coupling that makes the networked object both an essential psychological presence and a lingering concern for our sense of self *Instruction Manual For Women* Conrad Riker,101-01-01 Had Enough of Her Lies Finally the Truth About Female Contradictions Are you exhausted by women who say one thing but do another Have you been gaslit when confronting a lie only to be called paranoid Do you feel trapped in a game where the rules change daily Reveal the biological wiring behind female dishonesty Decode the hidden patterns in women's inconsistent behavior Arm yourself against emotional manipulation tactics Uncover why feminism promotes lies that harm men Learn why equality myths destroy relationships Master strategies to spot deception instantly Reclaim masculine authority in a broken dating market Shatter the illusion of female innocence forever If you want to end the confusion and dominate the game then buy this book today
