

## Growing a Seed - Investigation

### Information for teachers

This is an investigation to let you and your class to grow. Discuss with the children what you will change during the investigation for example:

- growing the seeds from different seeds
- changing the temperature
- changing the amount of water
- changing the amount of light
- changing how far from you plant the seed

Discuss first with the children and decide together what things they will keep the same during the investigation.

## Growing a Seed - Investigation

### Observation

Write below what you notice (according to the seed and its work).  
Draw and label pictures to show what each plant looks like.

	What did I leave my seed to grow?	What did I change?	Week 1	Week 2	Week 3
