Barner, 2017-08-07 Challenging readers to rethink what they read and why the author questions the aesthetic assumptions that have led to the devaluing of fanfiction a genre criticized as both tasteless and derivative and other guilty pleasure reading and writing including romance and fantasy The complicated relationship between fanfic and intellectual property rights is discussed in light of the millennia old tradition of derivative literature before modern copyright law established originality as the hallmark of great fiction Absorbed reading the practice of immersing oneself in the narrative versus critically reading from a distance is a strong motive for the appropriation by fanfiction of canon characters and worlds **My Social Media for Seniors** Michael R. Miller, 2019-07-02 My Social Media for Seniors Step by step instructions for the tasks you care about most Large full color close up photos show you exactly what to do Common sense help whenever you run into problems Tips and notes to help you along the way Learn how to get the most out of social media We ve identified the essential skills you need to stay connected with the people you care about reconnect with old friends and classmates and share your life with loved ones near and far Our crystal clear instructions respect your smarts but never assume you re an expert Big colorful photos on nearly every page make this book incredibly easy to read and use Learn the pros and cons of social media and how to use it safely Find out what to share and what not to share on social media Distinguish between fake news and real news online Use social media to find friends family schoolmates and co workers Keep in touch with friends and family on Facebook Save and share interesting images on Pinterest™ Connect with people and businesses on LinkedIn Tweet and retweet on Twitter™ Share photos on Instagram™ Use Skype to participate in video chats with friends and family members *Telling Science Stories* Martin W. Angler, 2020-03-13 A practical manual for anyone who wants to turn scientific facts into gripping science stories this book provides an overview of story elements and structure guidance on where to locate them in scientific papers and a step by step guide to applying storytelling techniques to writing about science In this book Martin W Angler outlines basic storytelling elements to show how and where fledgling

science storytellers can find them in scientific output Journalistic techniques like selection through news values and narrative interviews are covered in dedicated chapters A variety of writing techniques and approaches are presented as a way of framing science stories in ways that are informative and compelling in different media from short films to news articles Practical examples selected interviews and case studies complement each chapter with exercises and experimentation suggestions included for deeper understanding Review questions at the end of each chapter cement the newly gained knowledge to make sure readers absorb it with links to articles and online tools inviting further reading A valuable resource for students of journalism and science communication as well as professional journalists scientists and scientists in training who want to engage with the public or simply improve their journal papers This book is a one stop shop on science storytelling with a clear focus on providing practical techniques and advice on how to thrive as science writers and communicate science in all of its complexity

Building Leadership Character Amy Newman, 2018-03-28 Extending beyond traditional leadership books to offer readers a path for developing their own character this compelling new text uses a storytelling approach and real world cases to explore different dimensions of leadership character With a clear student friendly writing style bestselling author Amy Newman deftly captures various approaches in which corporations and people respond to situations in difficult times and learn from mistakes Using real companies and situations each chapter examines a leadership character dimension such as accountability integrity authenticity and courage Readers will learn to develop their own character emotional intelligence and leadership skills as they engage with assessments reflection opportunities and exercises

The Suicidal Murders Souvik Mitra, 2020-10-08 The story begins with a film called suicide It revolves around a death camouflaged by the mysteries of suicide and murder The plot deepens as Samar one of their friends dies on the day of the film s release Slowly the film starts casting its reflections in the real life of its makers from multiple perspectives Samar s tragic demise too gets shrouded in the web of murder and suicide affecting the lives of each one of them unraveling their and deepest and darkest secrets to one another But Subhankar takes them all to a journey far back in time from where the story of their film originated A journey that will take them through the philosophies of life and death and change everything forever This Novel is a unique trilogy where three different stories are intricately woven into a single book

Writing Diverse Characters for Fiction, TV or Film Lucy Hay, 2017-08-24 We re living in a time of unprecedented diversity in produced media content with more LGBT characters more characters of color more disabled characters and more characters from various religions or classes These characters also appear in genre pieces accessible to the mainstream instead of being hidden away in so called worthier pieces as in the past This book discusses issues of race disability sexuality and transgender people with specific reference to characterization in movies TV and novel writing Using such examples as the film Mad Max Fury Road and the novel Gone Girl the book explores how character role function really works It discusses such questions as the difference between stereotype and archetype why trope does not mean what Twitter and Tumblr think

it means how the burden of casting affects both box office and audience perception and why diversity is not about agendas buzzwords or being politically correct It also goes into what authenticity truly means and why research is so important why variety is key in ensuring true diversity in characterization and what agents publishers producers filmmakers and commissioners are looking for and why

Temptation Travis Thrasher,2012-04-01 The third book in the Solitary Tales series for young adults Temptation follows the soul wrenching twists of Chris Buckley s journey as he heads deeper into a darkness that threatens all he loves best As a reluctant student at Harrington High s summer school Chris meets a fun loving senior girl who offers a welcome diversion from Chris s past Soon Chris no longer searches for the truth about the town of Solitary He no longer tries to pierce its shadows He no longer questions his role in its mysteries He makes a new choice he runs What he doesn t realize is that he s running the wrong way and is very close to being beyond any choices at all
