

The background of the entire page features a stylized illustration. At the top, the letters 'ADHD' are partially visible in a large, bold, grey font. Below this, a human brain is depicted in a reddish-pink color with detailed gyri and sulci. The brain is positioned on the right side of the upper half. To the left of the brain, there are several overlapping light blue shapes that resemble speech bubbles or thought bubbles, with some containing small circles. The entire composition is set against a white background, which is framed by a thick pink border.
