First Things First Nadirah Simmons, 2024-01-30 This enlightening book reframes the history of hip hop and this time women are given credit for all their trailblazing achievements that have left an undeniable impact on music FIRST THINGS FIRST hip hop is not just the music and women have played a big role in shaping the way it looks today FIRST THINGS FIRST takes readers on a journey through some notable firsts by women in hip hop history and their importance Factual firsts like Queen Latifah becoming the first rapper to get a star on the Hollywood Walk of Fame Lauryn Hill making history as the first rapper to win the coveted Album of the Year Award at the GRAMMYS April Walker being the first woman to dominate in the hip hop fashion game and Da Brat being the first solo woman rapper to have an album go platinum and metaphorical firsts like Missy Elliott being the first woman rapper to go to the future Trust me she really did There are chapters on music legends like Nicki Minaj Lil Kim and Mary J Blige tv and radio hosts like Big Lez and Angie Martinez and so many more ladies I would name but I don t want to spoil the book There are games charts and some fire images too Altogether FIRST THINGS FIRST is a celebration of the achievements of women in hip hop who broke down barriers and broke the mold So the next time someone doesn t have their facts straight on the ladies in hip hop you can hit them with first things first

Coming Up Short Jennifer M. Silva, 2013-08-29 What does it mean to grow up today as working class young adults How does the economic and social instability left in the wake of neoliberalism shape their

identities their understandings of the American Dream and their futures Coming Up Short illuminates the transition to adulthood for working class men and women Moving away from easy labels such as the Peter Pan generation Jennifer Silva reveals the far bleaker picture of how the erosion of traditional markers of adulthood marriage a steady job a house of one's own has changed what it means to grow up as part of the post industrial working class Based on one hundred interviews with working class people in two towns Lowell Massachusetts and Richmond Virginia Silva sheds light on their experience of heightened economic insecurity deepening inequality and uncertainty about marriage and family Silva argues that for these men and women coming of age means coming to terms with the absence of choice As possibilities and hope contract moving into adulthood has been re defined as a process of personal struggle an adult is no longer someone with a small home and a reliable car but someone who has faced and overcome personal demons to reconstruct a transformed self Indeed rather than turn to politics to restore the traditional working class this generation builds meaning and dignity through the struggle to exorcise the demons of familial abuse mental health problems addiction or betrayal in past relationships This dramatic and largely unnoticed shift reduces becoming an adult to solitary suffering self blame and an endless seeking for signs of progress This powerfully written book focuses on those who are most vulnerable young working class people including African Americans women and single parents and reveals what in very real terms the demise of the social safety net means to their fragile hold on the American Dream *Symbiosis - Ultimate Cyber Attack* E. GORDON. HOOFNAGLE, 2010-02-12 Ultimate Cyber Attack is both a page turning contemporary sci fi thriller and an existential masterpiece filled with tangible characters who defy easy classification of good and evil and an objective exploration into relationships The protagonist learns poignant lessons that E Gordon delivers with finesse as his life and the modern world come under the ultimate cyber siege

How to Achieve Goals ARX Reads, We all have goals in life Each of us wants to achieve something great or small at some point in our lives We have deep hopes and dreams for the future and a desire to fulfill some great achievements It is embedded in the very fabric of our society at the root of which we are woven It is genetically pre fragmented in our DNA not only for survival but also for anxious passion There is an ultimate hack to achieve any kind of goal that you may be having just follow this rule book to know how it works and achieve them spontaneously **The iPod Book** Scott Kelby, 2006 Describes how to get the most out of an iPod and iTunes covering such topics as customizing the menu creating a playlist using the iPod in a car using the iPod photo and using the iTunes store *Microgroove* John Corbett, 2015-09-03 Microgroove continues John Corbett's exploration of diverse musics with essays interviews and musician profiles that focus on jazz improvised music contemporary classical rock folk blues post punk and cartoon music Corbett's approach to writing is as polymorphous as the music ranging from oral history and journalistic portraiture to deeply engaged cultural critique Corbett advocates for the relevance of little music which despite its smaller audience is of enormous cultural significance He writes on musicians as varied as Sun Ra PJ Harvey Koko Taylor Steve Lacy and Helmut Lachenmann Among other topics he

discusses recording formats the relationship between music and visual art dance and poetry and with Terri Kapsalis the role of female orgasm sounds in contemporary popular music Above all Corbett privileges the importance of improvisation he insists on the need to pay close attention to other music and celebrates its ability to open up pathways to new ideas fresh modes of expression and unforeseen ways of knowing

What the Mirror Sees T. A. Halukennah, 2009-05 Can one moment in life define who you are Can this same brief second influence what others will become How strong are the locked doors to our past and how long can they contain the monsters that pound against them raging to get out A moment in time binds four high school seniors and a guidance counselor The lives of a stoner loser bitch social butterfly and an alcoholic become entwined because of an incident that occurred six years in the past Two seventh graders enter a stairwell and five lives are changed forever Six years later festering hate adolescent perception incompetent parents and a handgun bring a dramatic conclusion to this one moment in time What the Mirror Sees is a gritty look at the life of high school teens and the harsh realities they deal with in what is often perceived as a cold and uncaring world T A HALUKENNAH turned down several Ivy League scholarships to backpack across the United States at the age of 18 During the two years and eight months he was on the road in 38 different states he supported himself by working minimum wage jobs It was here that he encountered the backbone of America s economy teenagers and illegal aliens Ever since this trip Halukennah has maintained an affinity toward the youth of our country His writing reflects the struggles of adolescence and the resiliency of children T A Halukennah has no place he calls home and rarely stays in one place for an extended period of time His last known residence was somewhere in upstate New York

Needy Media Stephen Monteiro, 2025-10-16 What makes our portable networked personal media devices smartphones tablets smartwatches so irresistible Reacting to our touch voice or gaze seizing and keeping our attention with sounds vibrations and screen prompts these objects construct an animated intimacy that builds trust and emotional dependence Needy Media explores how features such as face recognition awareness sensors and touchscreens have developed and intersected tying them to key concepts of psychology language and the body Surveying products and practices across a half century Stephen Monteiro argues that the appeal is as much about how media devices behave as it is about the information they convey Monteiro traces a symbiotic overreliance a neediness between users and devices fostered by personalized aspects of digital materiality The physical and emotional bonds that emerge he argues not only cast our devices as loyal companions adaptable to our needs and idiosyncrasies they also facilitate the corporate harvesting of massive amounts of personal data in the name of making technology more friendly intuitive and individualized Raising important questions about privacy and power Needy Media seeks answers in the complex and sensitive relationship between interface and body a coupling that makes the networked object both an essential psychological presence and a lingering concern for our sense of self

The Magic of Angels - How to Recognise and Harness Your Own Angelic Powers Adele Nozedar, 2010-03-01 Angels they re pretty much a fashion item these days It seems that everywhere you look there are

sky gazing cherubs cute little angel dolls with glittery wings angels on t shirts shopping bags bumper stickers You can apparently find an angel to help you with anything you like from fixing your bike to finding the perfect partner We re told that they can help with filling out a tax return or choosing a hairstyle Angelology has become very big business But why should this be Taking the premise that there s no smoke without fire The Magic of Angels seeks to discover the truth about Angels and Angelic energies to strip away the veneer of popular misconceptions about these powerful forces and to discover how we can all bring the true magic of Angels into our lives The Gemini Trilogy T. J. Lajeunesse,2010-09 Dawn Price was not quite your average seventeen year old But with her two best friends Matt and Pam her only concern was what they were going to do for her eighteenth birthday But little did she know that two weeks before her birthday her life would start to spiral out of control For on this day her life would be forever changed She was to become the Gemini A prophecy from another dimension One that was being torn apart by war between the children of the light and the children of the dark When the Gemini awakens she will be torn between two minds and two worlds If she chooses love the war will end if she chooses revenge the world will be void of light and darkness will rule over life **Crystal** Brittany Diaz,2015-04-10 I didnt need this I was living a great life Maybe it was a little boring but I didnt care It was my own life and I would have done anything to go back to the way things were Of course I couldnt because only in a perfect world do we get what we want Instead Im sent off on a crazy desperate idea to live in a house where my worst nightmare had come true Living there was a constant reminder of what I lost The ghost in the walls didnt seem to make it any easier I tried to stay strong I kept my head high and never moped around I even met someone But it wasnt enough I was losing a battle I had not realized I was fighting The house wasnt the only thing that made things hard The house was a burn in my heart more than it was evil It was this place this town It was the thing that lurked in the shadows behind every sad soul that walked around there It was hiding and toying with all of us It was after blood And no matter how hard it was to believe or how unreal it had all seemed to me whether or not I liked it something sinister was out there How do I survive this For the first time in a very long time Im scared I Love You but I've Chosen Darkness Claire Vaye Watkins,2021-10-05 NAMED A BEST BOOK OF THE YEAR BY THE WASHINGTON POST VOGUE ENTERTAINMENT WEEKLY NPR ESQUIRE AND KIRKUS There s some kind of genius sorcery in this novel It s startlingly original hilarious and harrowing by turns finally transcendent Watkins writes like an avenging angel It s thrilling and terrifying to stand in her wake Jenny Offill author of Dept of Speculation and Weather A darkly funny soul rending novel of love in an epoch of collapse one woman s furious revisiting of family marriage work sex and motherhood Since my baby was born I have been able to laugh and see the funny side of things a As much as I ever did b Not quite as much now c Not so much now d Not at all Leaving behind her husband and their baby daughter a writer gets on a flight for a speaking engagement in Reno not carrying much besides a breast pump and a spiraling case of postpartum depression Her temporary escape from domestic duties and an opportunity to reconnect with old friends mutates into an extended romp away from the

confines of marriage and motherhood and a seemingly bottomless descent into the past Deep in the Mojave Desert where she grew up she meets her ghosts at every turn the first love whose self destruction still haunts her her father a member of the most famous cult in American history her mother whose native spark gutters with every passing year She can't go back in time to make any of it right but what exactly is her way forward Alone in the wilderness at last she begins to make herself at home in the world Bold tender and often hilarious I Love You but I've Chosen Darkness reaffirms Watkins as one of the signal writers of our time Trust Elizabeth Holcombe,2020-02-14 Trust By Elizabeth Holcombe Life has a crazy way of changing on us Becoming friends with people who only want to use us falling in love with someone our parents may not like having our heart broken and even getting hurt by our family Who can we trust with our heart When can we expect not to be hurt In Trust we are reminded that even in fairytales someone gets hurt You hardly ever meet someone who won't hurt you It only happens once and not everyone gets to experience that once in a lifetime kind of love But if and when you do it's definitely worth the wait The iPod & iTunes Pocket Guide Christopher Breen,2009-02-02 Here is your essential companion to the iPod touch classic nano and shuffle and the iTunes application The iPod iTunes Pocket Guide Third Edition steers you through how to Import songs into iTunes and assemble playlists listen to podcasts and burn CDs Find music movies TV shows videos and audiobooks on the iTunes Store and see song and film recommendations discover podcasts and send gift certificates Buy music from the iTunes Wi-Fi Music Store and sync songs with your computer Use your iPod to keep contacts view events and store files as a portable hard drive Make your iPod even more useful and awe your friends with fascinating tips and tricks Fix common problems and learn what to do if you can't fix them yourself
