sexual intrigues Or as one critic did compare it to a Jane Austen creation or to an Aldous Huxley novel and be right and wrong on both counts What one can emphatically say is that Cigarettes is a brilliant display of Harry Mathews s ingenuity and deadly playfulness **New York Magazine** ,1975-09-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Truth Seeker** ,1917 Transition United States.
