Joleen Ed Bach, 2018-04-14 After a ten year absence Ed Bach author of the controversial collection of short stories So Long Charlie delivers his latest and most complex novel to date Joleen Bach's latest work is an unsentimental look at two people struggling to make sense of the world the beautiful but mentally unbalanced Joleen Simmons and her clinging colorless husband Hush Simmons Entering high school Joleen becomes an immediate sensation She is sweet charming and very beautiful But that sweet high school introduction abruptly ends when a lurid side of Joleen reveals itself and she is abruptly snubbed by her many friends In college Joleen joins a well respected theatrical group where her natural gifts bring immediate success She quickly maneuvers to the top only to blow it when she is given the lead in the school's featured play and is laughed from the stage Rejected she takes a job she hates She becomes restless and marries a man she will soon regret She torments her daughter yet confides in a sister who continually betrays her She bullies her mother yet adores a womanizing drunken father She performs whorishly in bed with a husband she refuses to kiss Reminiscent of April Wheeler in Richard Yates Revolutionary Road Joleen Simmons is a woman thrust into a life she neither wants nor accepts No one can

say for certain if Joleen is a complete nut case mentally unbalanced crazy or simply someone so broken by the events of her past that she unashamedly torments and manipulates her way through life And what of Hush Simmons the fawning high school friend Joleen marries divorces then quickly lures back into bed Is it her natural beauty that drives him to the limits of his own sanity Her superior upbringing Her familys wealth Or is it Joleens raunchy behavior that steals his personal identity and turns him into a man he no longer recognizes someone so corrupted by his wifes physical aggression that he loses sight of who he is and what he has become a murderer From the author of *So Long* Charlie Bach delivers an existential examination into the lives of two people at war with each other and themselves a couple so riddled with childhood memories that their present actions only serve to drive them further and further apart Bach offers no answers to lifes greater mysteries Instead he brings to mind questions the reader may wonder about for years While the story and its many characters are fictionalized the storys central plot is real

Charismatic Christianity in Finland, Norway, and Sweden Jessica Moberg, Jane Skjoldli, 2018-01-13 This is open access under a CC BY 4.0 license The history of Charismatic Christianity in the Nordic countries reaches as far back as Pentecostalism itself The bounds of these categories remain a topic of discussion but Nordic countries have played a vital role in developing this rapidly spreading form of world wide Christianity Until now research on global Charismatic Christianity has largely overlooked the region This book addresses and analyzes its historical and contemporary trajectories in Finland Norway and Sweden Through a selection of cases written by Nordic scholars from various disciplines it demonstrates historical and contemporary diversity as well as interconnections between local national and global currents Highlighting change and continuity the anthology reveals new aspects of Charismatic Christianity

Beyond Language Boundaries Marta Fernández-Villanueva, Konstanze Jungbluth, 2016-08-22 The way speakers in multilingual contexts develop own varieties in their interactions sheds light on code switching and multimodal dynamic co constructions of grammar in use This volume explores the intersection of multimodality and language use of multilingual speakers Firstly theoretical frames are discussed and empirical studies involving Catalan German and Spanish as L1 L2 or FL are presented interconnecting verbal and gestural modalities into grammar description or exploring actions as sources for gestures which may nonverbally represent the argument in German dynamic motion verbs Other chapters focus on positionings in interviews lexical access searches or proxemics in greetings and farewells The contributions secondly focus on verbal features of language use in multilingual contexts related to self representation and co construction of identity through code switching deixis or argumentative reasoning in different communicative events based on multilingual data of languages including Croatian English Italian Brazilian Portuguese and Polish The findings call for a reviewed conception of grammar description with implications also for the conceptualization of deixis for L2 foreign language acquisition and language teaching policies
