The iPhone 12 Pro Photography User Guide Wendy Hills, 2021-01-26 A Complete Guide to Using the iPhone 12 Pro Camera The best camera for the job is the one you have in your hands when there is an opportunity for a photoshoot especially when that camera is the iPhone 12 Pro Maximize the use of your iPhone 12 to take great shots A Complete Guide to Using the iPhone 12 Pro Camera The best camera for the job is the one you have in your hands when there is an opportunity for a photoshoot especially when that camera is the iPhone 12 Pro The question then becomes are you making the most of that powerful tool in your pocket Do the photos you take seem to be from an amateur because of how blurry they look and very different from the kind of picture you had in mind to take If this is you and you want to be able to take incredible pictures with your iPhone then this book is for you At the end of this book you should be comfortable taking great shots with your iPhone 12 Pro even in low light conditions You will also be equipped with the skills needed to capture awesome portrait pictures of people and nail down your composition such that others can be amazed at how professional your pictures consistently look as you create jaw dropping landscapes food and travel photos of the events you are involved in The book starts by covering some of the basic things about the iPhone 12 Pro and the relevance of some of these features on the iPhone and how they affect the quality of the pictures taken with it In no time after you start using this book you will begin to start snapping with your camera with far more confidence and dexterity than others who simply go through the motions of pointing their cameras at an object and taking pictures without some of these basic knowledge and skills Some contents to expect to see in this book include How to create animojis and even share memoji with other types of phone users How to take stunning pictures for your social media platforms How to take stunning pictures with the portrait mode and lots more With this book in your hands you can move from being just a mediocre basic iPhone user to an iPhone photography specialist It will save you the time and energy of stumbling into some of these features by deliberately exposing you to these features and functions If what you want is a go to guide on matters surrounding just iPhone photography then this is a great reference guide for you very different from what a generic iPhone 12 Pro manual can achieve because of how such books gross over different topics Not only that but you can also order this book as a gift for a friend son daughter or a loved one to help them quickly get started with using their phone as soon as they start exploring the pages of this book Special Bonus That is not all at the end of this book we have a special gift for you something we believe you will love Click the Add to Cart to purchase on your closeout or click the Buy Now to purchase at least one copy now *Iphone 13 pro max photography user guide* Wendy Hills, 2021-10-30 If you thought iPhone 12 or any other previous iPhone to have come from Apple is the bomb wait till you start using your iPhone 13 Pro On this phone Apple took it to a new level that will be difficult for competitors to catch up with any time soon Anyone on the Apple Ecosystem should consider him or herself fortunate to be alive to witness the advanced technology behind the hood that makes life when using the iPhone 13 With more and more people using video technology for

their everyday use Apple has included a whole new lot of video related features that can help you use your iPhone for cinematography purposes The iPhone camera has so many hidden features and tricks that you probably don't know about and only a book like this can help to expose those hidden features for you If you have an iPhone 11 Pro and want to be able to take stunning photos with it then this book is for you Now that you have got the iPhone 13 Pro Max you are probably wondering what next How do you make the most of this flagship phone and learn to use some of the hidden features of the phone If you thought iPhone 12 or any other previous iPhone to have come from Apple is the bomb wait till you start using your iPhone 13 Pro On this phone Apple took it to a new level that will be difficult for competitors to catch up with any time soon Anyone on the Apple Ecosystem should consider him or herself fortunate to be alive to witness the advanced technology behind the hood that makes life when using the iPhone 13 With more and more people using video technology for their everyday use Apple has included a whole new lot of video related features that can help you use your iPhone for cinematography purposes The iPhone camera has so many hidden features and tricks that you probably don't know about and only a book like this can help to expose those hidden features for you If you have an iPhone 11 Pro and want to be able to take stunning photos with it then this book is for you This time with the launch of the iPhone 13 they have included camera upgrades like Portrait mode video updated filter systems ProRes and so much more but will require that you master the camera setting for you to be able to use it to capture great shots which is why you should be ordering this book right away because it is going to tell you how to do just that Very often the manuals and user guides that accompany devices tend to be basic on providing the best tricks and tips required to get the best from such devices which is why this book was written to help you get the most out of your iPhone 13 Pro Camera app In this book you will learn How to use the iPhone 13 Pro exclusive feature called ProRes The meaning of Cinematic mode and how they improve your iPhone videography Why manual camera settings can improve your picture quality How to access some hidden camera functions that you probably did not expect a phone camera to have The different functions of the three lenses and how you should use them Why you should not use the digital zoom and use the optical zoom instead to get the best from your photos This book shows many more functions than you would expect to find on a phone and helps you better utilize your iPhone 13 Pro Max when next you go on a trip visit the airport go on vacation capture important moments and document the different stages of your child's life This book is so valuable that this present price is not likely to stay for long as it will be reviewed soon only those who make an early decision to buy now will benefit from this bargain as it is a real gem of a book
