Dumbing Us Down - 25th Anniversary Edition John Taylor Gatto, 2017-05-19 Transform your child's education from institutional compliance to intellectual freedom Former New York State Teacher of the Year John Taylor Gatto reveals how compulsory schooling creates dependent workers instead of independent thinkers replacing natural curiosity with rule following conformity Over 30 years of classroom experience led to his revolutionary discovery genius is as common as dirt but conventional education systematically destroys it Why This Educational Awakening Matters Now After 100 years of mandatory schooling literacy rates have dropped families are fragmented and children are increasingly disaffected This isn't failure it's the system working exactly as designed to produce compliant workers rather than creative thinkers What You'll Discover The hidden curriculum that trains children for industrial compliance instead of critical thinking Step by step strategies for transitioning from school based to self directed learning How to identify and nurture your child's natural learning style and interests Practical methods for creating engaging educational experiences without formal curriculum Real world approaches to developing critical thinking problem solving and life skills Community resources and support networks for families choosing educational alternatives 25 Years of Proven Impact This bestseller has guided over 100 000 families toward educational freedom with children achieving remarkable academic and personal success through self directed learning Zachary Slayback Ivy League dropout and tech entrepreneur provides a powerful new foreword demonstrating how Gatto's principles create innovators and leaders Your child's natural love of learning can't wait for education reform Start implementing these time tested strategies immediately to unlock their intellectual potential and creativity Join thousands of families discovering that education works best when it honors children's innate curiosity

Teaching English as a Foreign Or Second Language, Second Edition Jerry G. Gebhard, 2006-01-10 Teaching English as a Foreign or Second Language Second Edition is designed for those new to ESL EFL teaching and for self motivated teachers who seek to maximize their potential and enhance the learning of their students This guide provides basic information that ESL EFL teachers should know before they start teaching and many ideas on how to guide students in the skills of listening speaking reading and writing It stresses the multifaceted nature of teaching the English language to non native speakers and is based on the real experiences of teachers The second edition of Teaching English as a Foreign or Second Language includes a wider range of examples to coincide with a variety of teaching contexts from K 12 schools to university intensive language programs and refugee programs It is also updated with discussions of technology throughout and it considers ways in which technology can be used in teaching language skills Sources for further study are included in each chapter and in the appendixes
