Berger,2022-11-01 When Sarah Berger's nineteen year old son went to heaven in an inexplicable single car accident Sarah found herself plunged into soul searing grief the kind that can ruin marriages and destroy faith But that is not her story With an unrelenting grip on the Lord's hand Sarah clung to the promise that God is close to the brokenhearted Now for the many others who grieve losing loved ones to accidents illnesses and even suicide Sarah points them to the God of all comfort Hope in the Eleventh Hour helps readers Understand what it means to grieve with hope Realize their loved one in Christ is truly part of the great cloud of witnesses Trust God with the hardest questions Receive God's comfort through Scripture dreams nature and divine encounters Find joy in the present as they wait for the eternal This intimate yet practical book opens readers hearts and minds to embrace God's promises in the midst of grief and brokenness **Lessons in Hope** Juliet Cutler,2025-09-09 For readers inspired by Margaret Busby's New Daughters of Africa Juliet Cutler presents a stunning testament to a group of Maasai women who are claiming their voices and shaping a future of lasting change In this inspiring collection of interviews and portraits over twenty Maasai women share the ways education has transformed their lives by giving them the tools to overcome poverty and empowering them to make profound differences in their communities Through their stories the women featured in Lessons in Hope lay bare the overwhelming challenges many Maasai women and girls continue to face For some hunger hovers nearby only one bad drought away Many must raise children without running water or electricity Most struggle to gain a basic education see a doctor or earn an income And too many Maasai girls still endure female genital mutilation early forced marriages and other forms of violence Yet these remarkable women have overcome the odds As graduates of the first school for Maasai girls in East Africa these thriving leaders now hold positions in education health care nonprofits government and business Their stories reveal a cadre of Maasai women working toward positive change within their own culture and offering a compelling optimistic vision for the future Proceeds from the sale of this book support education for Maasai girls **There Is Hope** Chris Amos,2012-01-13 Life is a series of lessons For the Christian the goal of each is to guide and encourage the student to become a little more like Jesus For some those lessons are taught in the office or classroom for others they arise in the home for others still those lessons may be taught on the road while traveling from place to place For me many of those lessons have come on the hard and often unforgiving streets of Norfolk Virginia Some will bring a smile to your face while others may bring tears Some result in great victory while others appear to end in tragedy and defeat Some may provide answers while others may raise questions but all have a common purpose Each one when learned will lead to a closer walk with Jesus Christ This book is a collection of those lessons written in hopes that you too may be encouraged in your quest to become more like our Savior and Lord Jesus Christ God is still as in times past using the most unsuspecting people to teach some of
