... Select Notes on the International Sunday School Lessons ... Wilbur Moorehead Smith,1918 *Building a Eucharistic Pedagogy for the Presbyterian Church of Korea* Hyoungh Seop Shin,2013-04-29 Based on the critical conversations between education liturgy sociology and theology this book suggests an alternative eucharistic pedagogy for the Presbyterian Church of Korea by reforming eucharistic and curricular practices with attention to students specific local contexts This process includes the formulation of the definition of the new eucharistic pedagogy the reconceptualization of concepts regarding the eucharistic pedagogy and five steps as pedagogical strategies for a new eucharistic pedagogy for the Presbyterian Church of Korea including pedagogical guidelines for teachers and students This book will open the door for further educational and liturgical discussions of the work of contextualization in churches around the world Even though this study investigates a contextual pedagogy limited to the PCK this task needs attention and study in a larger context beyond the PCK The gospel is the worldwide truth that cannot be limited to a certain culture but becomes incarnated into each local culture Therefore this kind of contextual investigation between the gospel and culture will not be optional but imperative to all churches *Lessons from Solomon* Glen A. Blanscet,2018-06-08 Everyone wants to be successful The problem though is that most people misunderstand what constitutes true success The world defines success in terms of our accomplishments the fame and fortune we achieve and the recognitions we receive all of which are fleeting and temporary successes at best True success however is based upon our character the relationship we have with God and the glory God receives from our lives So how do we achieve this level of success Lessons from Solomon answers this question by looking at the life of King

Solomon a man who not only achieved success by the world's standards but also had and lost true success that comes from knowing God Author Glen A Blanscet has penned engaging narrative retellings of King Solomon's story from the Bible and from King Solomon's story we learn several success lessons that we can apply in our own search for true success in life Based on the life of Solomon Blanscet has distilled from Solomon's story the life lessons that lead us to genuine success from the wisest man who ever lived I highly recommend this book Dr David L Allen Southwestern Baptist Theological Seminary In this book Glen Blanscet has masterfully extracted from scripture Solomon's successes and failures providing the reader with vivid lessons on attaining true success Steve Mullen PhD Dallas Baptist University *The Church School Journal* ,1886
