To Whom It May Concern:

It is with great pleasure that I write this letter of the highest recommendation for Laura Backman. I have been very fortunate to work with Laura during several long term substitute stints at Meadow and Monterey Community Schools over the past four years.

As the Special Education teacher, I work very closely with Laura and other teachers here at Monterey Community. Laura and I have worked very closely together for the past few years, during her times as a long term substitute, with shared special education students. Through her dedication and effort, Laura has worked with several tough special education students and helped them to make tremendous strides in both academics and social situations. Laura is always one of the first teachers to recognize when a student is performing below standards and immediately takes action to remedy the situation. She accomplishes this through creating interventions on her own, collaborating with grade level teammates and specialists, going above and beyond the typical job description of a substitute. In addition, Laura has a "get things done" attitude, calling parents when needed to discuss a variety of issues and speaking with teachers and the director while always advocating for each student. She is a very visible, friendly, and strong presence both in and out of the classroom and the students both respect and adore her.

I highly recommend Laura as a strong member to any team. She will most certainly inspire students and co-workers with her intelligence, enthusiasm, humor, and creativity.

Should you have any further questions, please do not hesitate to call me at: (720) 984-7314.

Sincerely,

Megan L. Decker
