

The book cover features a stylized illustration. In the upper left, a welder's head and shoulders are shown in profile, wearing a blue protective mask and a yellow jacket. They are holding a welding torch, which is positioned over a large, dark red, semi-circular shape representing a metal workpiece. A bright, starburst-like yellow and orange flame or spark emanates from the point of contact between the torch and the metal. The background is a solid light blue.
