### A Call to Action:

#### Regulate Use of Cell Phones on the Road

When a cell phone goes off in a classroom or at a concert, we are irritated, but at least our lives are not endangered. When we are on the road, however, irresponsible cell phone users are more than irritating: They are putting our lives at risk. Many of us have witnessed drivers so distracted by dialing and chatting that they resemble drunk drivers, weaving between lanes, for example, or nearly running down pedestrians in crosswalks. A number of bills to regulate use of cell phones on the road have been introduced in state legislatures, and the time has come to push for their passage. Regulation is needed because drivers using phones are seriously impaired and because laws on negligent and reckless driving are not sufficient to punish offenders.

No one can deny that cell phones have caused traffic deaths and injuries. Cell phones were implicated in three fatal accidents in November 1999 alone. Early in November, two-year-old Morgan Pena was killed by a driver distracted by his cell phone. Morgan's mother, Patti Pena, reports that the driver "ran a stop sign at 45 mph, broadsided my vehicle and killed Morgan as she sat in her car seat." A week later, corrections officer Shannon Smith, who was guarding prisoners by the side of the road, was killed by a woman distracted by a phone call (Besthoff). On Thanksgiving weekend that same month, John and Carole Hall were killed when a Naval

## **Examples Of A Research Paper:**

*Writing the Modern Research Paper* Robert Dees, 2003 *Writing the Modern Research Paper* is a practical and contemporary guide to writing research papers offering students advice on how to think critically throughout the research process. Designed as a complete reference, this book offers a step-by-step guide to research, encouraging students to think carefully and critically about such issues as audience, topic, and thesis, as well as evaluating, integrating, and citing sources appropriately. The text covers both informative and argumentative purposes for doing research, including a full chapter on reasoning and evidence in argumentative research papers. Original and realistic student examples throughout show various approaches to the methods of planning and researching. This contemporary book offers full coverage of computer research technologies, extensive attention to the prewriting and planning stages of the assignment, and pedagogy designed to encourage students to work collaboratively. There is also unparalleled coverage of the major disciplinary documentation forms: MLA, APA, CBE, and Chicago. The book also features examples from modern research sources, Citation Indexes, the Internet, not covered in other texts.

*Learn To Write The Research Introduction with Examples (2)*, 2024-08-06 Do you want to write better introductions in research? Do you need help with writing a well-organized and informative introduction? Then this book is for you. It provides clear and concise instructions on how to improve your writing skills and tips on how to structure and organize your introduction. Whether you're a student struggling to meet deadlines or a researcher looking to advance your career, this book will help you achieve academic success by teaching you how to write the introduction of your research with clarity, precision, and purpose. When writing a research paper, you know how critical the research introduction is.
