Introduction

This manual contains the 2019 Brand Standards for Park Inn by Radisson hotels located in five countries: Russia, India, Sri Lanka, Mexico and Hong Kong. Some standards apply to all areas, the following documents apply: Russia (RUS), Sri Lanka (SRI), Mexico (MX), India (IND) and Hong Kong (HK).

The following icons refer to documents including standards for serviced apartments where the guest stays for nights or more. These standards do not apply to serviced apartments where the guest stays for hours or nights.

Not applicable for serviced apartments where the guest stays for nights or more.

Applicable for serviced apartments where guest stays for nights or more.

All references to tables, section numbers, section numbers and other details must comply with the BMS, unless otherwise stated, and be found in the reference in the text.

These brand standards enable Park Inn by Radisson to deliver on its value proposition, in line with the brand strategy plan for the Radisson Hotel Group.

The brand standards are structured in a way that follows the guest journey. The journey starts in the market and the surrounding area, continues to the hotel and ends in the room or apartment (BMS, 2019) and is divided into three main areas: the hotel, the room and the guest experience.

How should the brand standards be used?

- Compliance with the brand standards is a key to success. For this reason, the Brand Standards manual will be used in conjunction with the Park Inn by Radisson Brand Standards Implementation Plan, which contains the practical implementation plan for the brand standards.
- Hotels are expected to comply with all brand standards and should use this manual as a reference on which products and services must be offered to the guest to deliver the Park Inn by Radisson guest experience. Compliance with the brand standards is a key to success and should be a priority for all employees, who should be able to deliver the brand standards to the guest.
- Regional teams should use this manual to ensure guest hotel or brand region compliance with brand standards.
